L-86 All right. How do you do? Now, to ever who it is, set this mike up a little farther. Now, tomorrow night, the Lord willing, I want to take just a few moments to explain the best that I can. It's supernatural; you can't explain it, but how this works. It's not me. You just disbelieve and it'll never work. If Christ is standing right here Himself, and you didn't believe Him, it would never work. When He come to His own country, the Bible said, "He c-o-u-l-d n-o-t, could not do many mighty works because of their unbelief." Any gift of God is operated by you, by the patient, or the people. It's not me. I don't know a one of you, know nothing about you. [Matthew 17:20]

L-87 But for instance, here stands a lady. I guess we're strange to each other, are we, lady? I--I do not know you. And God does know you. Well, now for instance, what if Christ would appear here, which He can't in a corporal body, 'cause every eye shall see Him and every knee shall bow, and every tongue confess when He comes. But He promised, the second, His Spirit will be in the church, and He would raise up people to do the same things that He did, to--to manifest to the people that He's living and not dead.

Now, if He was standing here tonight, and if you're sick, He...

Other needs you have, I--I don't know. I can't say, 'cause I don't know you. But there's only one thing He could do, refer you back to the Word. And His Word give a promise that He would be with us and would do the same things that He did. And when He was here on earth, He didn't claim to heal the people, but He knew their heart as the Father would reveal it to Him. Is that right?

Now, how many knows that's the truth? Well then, if Jesus of Nazareth (What is it?), humble Himself and submit yourself. Now, she has to submit herself. [John 14:12]

L-88 That woman might be a critic standing there. I don't know. She might be an infidel. I couldn't tell you. If she is, you just watch what happens to her in a few moments.

How many remembers what that guy did, come and tried to hypnotize me? Setting there, trying to hypnotize me, make me bark like a dog, he did in these army camps. They have him to come in. And the Holy Spirit turned around and said, "You child of the devil." Said, "They'll pack you out of here." He's been paralyzed for years now. They packed him from the meeting. Sure. Just watch what happens.

Let's... Just--just submit yourself to God; take off all your-your doubts now, and lay them away, and never pick them up again. Say, "Lord, I'm just going to watch. I'm going to pray. I'm going to believe tonight with all of my heart." And just ask God to do it, and see if He will. Sure He will. He's obligated, friends.

L-89 Now, lady, you just look at me just a moment while we talk. Now, I'm going to give a little illustration, a Bible illustration for the newcomers in here.

One day our Lord Jesus went up to Samaria, and He sent the disciples away. And a woman come out to talk to Him. And He said, "Bring Me a drink," to the woman. He'd never seen her. She'd never seen Him.

Why, she said, "It's not customary for you Jews to ask me a Samaritan such as that. We have no dealings."

He said, "But if you knew Who you were talking to, you'd ask Me for a drink."

Why, she said, "The well is deep, and You have nothing to draw with, and how could You do it," and so forth. And the conversation went on. After while, He found just exactly where her trouble was. He said, "Go, get your husband."

She said, "I have none."

"That's right; you got five."

She said, "Sir, I perceive that You're a prophet. And we know that when the Messiah cometh (which is Christ), when He comes, He will tell us these things, all things. But Who are You?"

He said, "I am He." [John 4:7-11, 16-19, 25-26]

L-90 Now, if that was Jesus yesterday, and if He's the same yesterday, today, and forever, He'd have to be the same Jesus today. Is that right? Do you believe that, audience? And if He will do it, and this woman and us both here standing before God, and the Bible laying between us here, that we've never seen one another and know nothing about each other... And here we are standing here. And if Christ will perform that tonight, and you go away disbelieving, I'd hate to stand in your place. Now, that's all I would know.

But now, may the good Holy Spirit of God come as we yield ourself to Him in Christ's Name, and prove that He is living and here, and God has by His oath has kept His promise. And the Holy Spirit is here fulfilling the Word of the Lord Jesus Christ, just before His second coming and the ending of the world. I pray in Christ's Name. Amen. [Hebrews 13:8]

L-91 Now, just to talk with you a minute, just as our Lord, because you're the first patient here. And I don't want to call you a patient. I don't know. I can't say that. But I just said that, just subconsciously said it. But you're the first person I'm to talk. He don't have to tell me. He might not. But I hope that He does. But if He will tell me something in your life back, and then tell you what's going to happen, you--you

L-90 Go, take that handkerchief and send it to your daughter down in Little Rock, Arkansas, for that mental condition, and may she get well. Do you believe He's here?

Let's stand and praise Him and get healed.

Our heavenly Father, in the Name of the Lord Jesus, we condemn every evil spirit, and heal the sick just now, Lord, and I pray that You'll get great glory. And, Satan, come out of this people and leave this building in Jesus Christ's Name. Give God praise and be healed, every one of you in Jesus Christ's name.

see you trying to, stand before me trying to... In your chest, your trouble is. It's left you, sister dear. Amen.

L-88 There's a lady setting there, no way at all of knowing, just setting there praying, and the Holy Spirit spoke and here she stood here in front me. I looked around and seen where it was coming from. It was right there. Isn't the Lord wonderful? "If thou canst believe, all things are possible."

I see a young lady standing before me. Oh, how wonderful. My, just a moment. She's setting right on the end of the row. She suffers with headaches. You believe that the Lord Jesus will make you well? You accept it? You can wipe the tear from your eye, you believe with all your heart? Raise up your hand to Christ and accept it. All right. God bless you. Your faith touches Him.

Now, look at that man setting there praying, kinda black hair, thinning in front. He's got a great burden. I see a dark shadow hanging over him; wearing a brown suit, and a red tie, I believe. He is praying for someone. Isn't that right, sir? That is right. It's a woman, isn't it? Cancer. Have faith, believe. Your mother-in-law will get well and you'll be... And she'll be all right, if you'll just believe. Amen.

You believe? [Mark 9:23]

L-89 It's your chest. That's right, isn't it? And it's some kind of a crush, mash in your chest, and there is a bone, they say, laying close to the heart which causes you to smother. You can't sleep either, can you? I see you getting up and walking around. Isn't that right? Just been a terrible thing, but the Lord is here to make you well. You believe He knows You? Do you believe Jesus is raised from the dead? Well, Irene...?... You believe, you believe. Your last name is Young, isn't it? Your number is 7706 Howard Street from Detroit, Michigan. Now, do you believe it? Go in peace. God bless you, my sister. Lord Jesus heal this, my sister, and make her well in Jesus Christ's Name. Amen. God bless you.

would believe it, wouldn't you? You promise that you'll believe? You believe now.

Now, may the Lord grant it. The audience is under oath that they'll believe. We're under promise and oath that we'll believe. Now, it's up to Him.

See where I stand? Looky here, here's at least a thousand or more people. And I've made that challenge before five hundred thousand in heathens. Now, why? Because I believe. I believe that He will keep His Word.

L-92 But now, if you're sick, I couldn't heal you. You know that. It'd just have to be your faith in Him. But it would raise your faith if He would come down and confirm and say that He'd do just like He did do, you'd know that that second piece of paper, as I've taught the covenant, was God's Word through a man.

Now, if the audience can still hear my voice, I see the lady walking up-and-down a floor in a house. She's extremely nervous. She's got a inward trouble that bothers her too. That's right. And I see you a lot younger than what you look tonight. And you're something another, you're looking in a glass. You got your mouth open. It's a swelling in the roof of your mouth. That's been many years ago, and it's still happens today. Your roof of your mouth swells up. That's true.

L-93 Another thing, you're always pulling at your neck. You have pains in your neck all the time. That's true. Now there's Something here that knows you. Here's another thing: you've tried hard to believe. This is not the first time you been prayed for. You've come time after time places to be prayed for. I see you passing by. Now, is that the truth? Now, you believe?

Now, you...?... it as in my heart. Now, right now, I don't know what It said to you. I don't know. The only way I know tomorrow, it's setting on tapes. And that's how I know. I know It said something. But now, what It said was true. If

you'll believe now with all your heart that it's not your brother... You're aware that there's Something here that knows you, that you know. It's things, perhaps, It said to you that's been many years ago. Is that right?

And Who was way down in your life years ago that knows everything you done? See? Who is that? God. Right. Does that fulfill what I was talking about a few minutes ago? That Christ said... The woman said, "Why, He told me the-everything I ever done." [John 4:29], [John 14:12]

L-94 Jesus said, "These things that I do, shall you also." Then is God's sworn covenant true. Is His sworn covenant true? Then what we got to be worried about? Jesus is here. His Spirit is here. We're in a... What happened just now? I went into another world. It's an unseen world. We become so conscious of looking at one another like this. But there's a unseen world; and you... It's greater than anything you can see. And here's Christ.

In this world, in this building here are evil spirits and war. And Christians anointed, and the Angels of God encamped about them trying to ener--e-energize them with faith.

And here I am standing here just yielding myself, and the Holy Spirit's a moving, and this is what you call heavenly places in Christ Jesus. But remember, Satan's always skeptic at the sons of God. You know, he always does that. Someone with a skeptic idea, when they do that, just he's trying to interfere. But Christians always overcome. [John 14:12], [Ephesians 1:3]

L-95 Now, lady, my sister, ever what your trouble is, will you in--like to accept Jesus as your Healer of your trouble? Would you come up and get prayed for now?

Our kind, heavenly Father, with my hand to You and the other on my sister, I pray that You'll bless her, and heal her, and make her well, and give her the desire of her heart; and may her testimony cause an old fashion revival to start in her church and neighborhood, wherever she's from.

know the truth. [The sister speaks again--Ed.] Sure, come here and... That's why the Lord sent you and give you the vision. See? He wants you to know the truth, and that's why I passed by you in your vision, or whatever it was the other night; that God sent you here to know truth.

I hate to condemn the man's words, but it's wrong. It's not so. No, ma'am, it isn't so. Go and the Lord Jesus bless you.

L-86 Heavenly Father in the Name of the Lord Jesus straighten this woman... Said she's almost become a nervous break on account of this. And I pray God that You'll make her to understand and know now that it's Your grace that's been imparted to her that she could come here tonight, and these things would be told. I pray that she'll return to her home happy, rejoicing, and not be bothered any more, and give glory to Thee, throughout the country, and around about in Jesus' Name. Amen. [The sister speaks to Brother Branham again--Ed.] Now, you just go on now rejoicing. See how wrong he was? Now, you go on rejoicing and be happy. Now, how could you doubt God being in our midst now? See? How wonderful.

L-87 Would you come, lady? Now, just--just a few moments more and let's... This young lady standing here, and may the Lord answer prayer. Now, young lady, as far as I know, I--I--I don't know you.

I must tell this lady this. It can't let it get by. Lady, was up here, quit. See? Don't fool with that. That's pure spiritualism. Stay away from that. See? I rebuke that thing in the Name of Jesus Christ. Yes, that evil thing that's telling you that lie. You stay away from that. All right. The Holy Spirit here just wouldn't... I--I didn't want to say something right out. There's many things could be said, but just in that way.

Now, young lady the... Do you believe with all your heart? All right. Are we strangers to each other? Perfect strangers.

A lady setting right back there is bothered with breathing, aren't you, lady, setting there with the little black tie on? I

out over all the sick in your meeting."--Ed.] You heard that. It's a lady, a vision she had when she come to my meeting in Canada in '46.

Now, you're here for some purpose, lady. Now, the Lord knows. Now, the Lord has not lost His strength since He appeared in that meeting as the Morning Star and showed His radiance over the audience.

There was a Mexican man setting here last night; he saw the Dove of God come down in that Light over this audience.

L-83 Now--now, the Lord Jesus bless you, and you being a lady just standing there, I just want to see if the Lord will reveal to me what--what you're here for, and--and then if the Lord will, then I'll pray. And then the Lord probably will give you your desires. I trust that He will. I pray that... [The sister speaks to Brother Branham again--Ed.] She said she... from Pine Bluff, somewhere here. She come here with a... And 'fore she got here, the... she seen me in a--a vision walk before her, and the Holy Spirit said, "This is Brother Branham." Yes. She heard that I had an appointment here. She had a desire to come and heard I had the appointment. All right.

L-84 Now, there's something the Lord wants you here for then. The Lord Jesus is wonderful. Now, He's good and He's full of mercy. You're here tonight to see me, is because I see you've been in another meeting too... Someone else. I see a man coming to you, and he was try... Telling you... An evangelist, that there was something wrong with your heart. Said, "It was about three times its normal size." That's right. That's... I didn't want to call his name before the public. Is Mr. Hayes is who it was. And he told you you had a tumor, malignant tumor, a cancer in your stomach, and you... The Lord has sent you here.

L-85 I don't mean to condemn Brother Hayes, but that's wrong. And that's why the Lord has sent you here, that you'd

Lord, Thou hast done everything now that can be done. And I ask that You will now with this anointing on our sister, that she'll call the things which has been as though they were not, and go on, and live, and be well, in Christ's Name. Amen. God bless you, lady. I believe with all my heart, it's over. God bless you.

L-96 All right if you'd come. Is this--is this the patient here? Come. Now, see, don't no one leave. Set still a few minutes. I just feel something fixing to take place. God will honor His Word. And when you move... See, every spirit is--you got--I'm coming in contact with it. I'm watching to see what He will do. Just have faith in God.

Believe, you out there without a prayer card, that is not going you call upon; you believe. Just believe. That's all I ask for. Iust believe.

L-97 Now, the lady here. I suppose we're strangers to each other, are we, lady? I don't know you, never seen you. You have seen me before, probably up here at the platform or somewhere. Is that how the... The last time I was here. But I mean to know anything about you, I--I don't know. I've never... Is that way, is what I meant, but, just so the audience would know, then, that you're not someone that I know. See? I don't know what He will say. I don't know what you're there for. I have no idea what you're there for. But He does.

And I'm only trying to get the people to believe on the Lord Jesus, not believe me, believe on Him. You have a--a lady's trouble, a female disorder, that's bad. Could be awful bad if something isn't done for it. It's extraordinary case and it causes you much trouble. That is right. Do you believe? That is true, isn't it? You're just trying to get over a little hump there, aren't you? There's something it just... You can't feel right down in your soul, just like you can accept it just now.

L-98 I'm not reading your mind, but you couldn't hide your life if you had to. You're just open to the Holy Spirit now. And it's

all in the mercies of God. Maybe God will tell you who you are. You'll believe Him, would you? Aren't you Mrs. Reece. That's right. Don't you live at a address called 553 twenty-second street East? That's right, isn't it? Now, do you believe...?... You're...?... aren't you. Go and accept it.

Father God, touch the woman in Christ's Name, I pray. Blessed be the Name of the Lord.

L-99 Do you believe, lady? I--I don't know you; I've never seen you. But do you believe that Christ is here to make you well or give you the desire of your heart? I have no idea what you're standing there for. But do you remember in my telling you, the second piece of paper, the covenant God tore loose and took His Son up to heaven, and sent the Holy Spirit down to do the same works of the Lord Jesus...

And if He was standing here, that's the same thing He done. The people out in the audience are being healed just the same as they are here. You believe that? Sure.

L-100 What do you think about it, sir, setting on the end. You got...?... don't you? Do you believe that Jesus Christ make you well? You setting here...?... You believe Jesus Christ make you well...?... You believe that God will heal you? If you can... go on... All right. Then you can have it, if you just believe. Have faith.

What about you out there on the other end...?... You believe God will make you well, sir? If you do...?... Do you believe that God will heal you of that head trouble? If you do, raise up your--raise your hand and say, "Praise the Lord." That's it. Go on; be made well. See how easy it is, how easy it is to just believe it?

L-101 Now, you believe? But you didn't come to be prayed for. You come to stand for somebody else. That's a man. It's your uncle. He's crippled, isn't he? That right? Do you believe now? Then go lay your hand on him. May God grant everything that you ask for. I'd like to ask the blessing.

My Name they shall cast out devils," and this I do in Jesus' Name. Amen. Go, and God's peace be with you. [Mark 16:17], [Mark 11:22]

L-80 Would you come, lady? Have faith in God. Now, believe, just a moment. Don't doubt. Are you believing in the audience? Everybody believing? Jesus said, "If thou canst believe."

Now, I see standing before me a white woman. She's touching the Master, and she is in this audience, and she sets right down here with a red sweater on suffering with a trouble in her chest. Frightened you when it left you, didn't it, sister? The lady setting there with kind of short-bobbed hair, would you stand up a minute with the red sweater on? Isn't it wonderful to be free of that spirit? You touched Him now. Go in peace and God be with you. Amen. [Mark 11:22]

L-81 I seen someone with a red sweater and seen this lady with a red dress, the red coat. I looked, and it was... I seen that the way the woman had a red sweater. And I looked and here she was down here. I seen it was her trouble.

Now, I am a stranger to you, lady. I don't know you as far as I'm capable of knowing now. We're strangers to each other, but God knows us both. Is that right? You went to see me in Canada. You just saw many miracles in Canada that God performed as I prayed for the sick.

L-82 'Course, I wouldn't know you. You know what I mean to know you personally. I wouldn't have no way of knowing you that way. You was in a meeting maybe where... Was that this last meeting in Saskatchewan? Oh, in 1946. That's when I first started. That's perhaps that was up in Winnipeg, somewhere like that. I believe I was in Winnipeg. [The lady speak about a vision. "Well, it was in...?... In '38 I begin to see glorious visions.] Yeah. [And the Lord stretched forth His hand and said, 'Go and strengthen this man, and...?... in your meeting.' And I saw a huge beautiful star which calls himself the star of Bethlehem, and he seemed to throw its radiance

all things are possible."

Now, sister, you. Now... You're--you're a white woman, and me a white man. You know we come... God's no respect of persons. Did you see what He did to the colored lady just a few moments ago? Now, He can do the same for you. And now, I can't do nothing for you because I'm just a man; but I can yield myself to the Holy Spirit, and by a gift that was chosen before the world ever begin... You believe that? Yes, gifts and callings are without repentance. God told the prophet, Jeremiah, "Before he was even formed in your mother's womb I ordained you a prophet over the nations." [Mark 9:23], [Romans 11:29], [Jeremiah 1:5]

L-78 Now, you're conscious that something's going on right now. Isn't that right? Just since I looked to you, and you looked to me, there's been a strange feeling, like a real sweet, lovely feeling. If that's right, raise your hands to the people. See? Because between she and I there stands that Light of God, standing by.

Now, I see a darkness of shadow of black behind her. The woman is extremely nervous because she's shadowed by death. That's a tumor that's malignant. That's right. But between you and I stands Life and Light. You can't doubt but what Something's here that knows you. Is that right?

L-79 Now, walk up into Light and accept the Light, the Lord Jesus, and accept healing, and the tumor, or cancer, life will go from it and you'll live. Can you believe? Do you now believe that Jesus Christ, the Son of God, lives and is here to help you now? Would you come forward just a moment that I might lay my hands on yours?

And Father God, Who loves the creatures of this earth, I ask now that in Jesus' Name that You condemn this shadow of death over the woman, and may the Light of God break forth and may she live. And we charge this unclean devil, death spirit, to leave her in Jesus Christ's Name.

Lord, it was written by Your Own disciples that You said, "In

Kind Father, I pray that You'll give the maid the very thing that she's asked for. I pray in Jesus' Name. Amen. God bless you, lady. All right...?... the sick. Are you believing?

How do you do, lady? You believe with all your heart? Do you believe me to be His servant? Now, see, the Angel when He met me, said, "If you get the people to believe you, then be sincere when you pray..." See what I mean? I try to follow His instructions just as close as I can.

L-102 Now, the whole thing just begin to speak. It's you doing it. It's not me. But you know something's happening that... If you're aware that something struck you years ago...?... 'cause just the change of life, I've seen it settling; the tears started in her eyes.

Now, you're suffering with a real nervous condition. You been nervous, upset. And your heart, you've had some excitement. You're here for somebody else. That's a very dear person, isn't it? It's your daddy. You... If I tell you what's the matter with him, will you believe me to be God's prophet? You'll accept his healing through Christ as his daughter standing there. It's a heart attack. That's right. Is that right? I see him almost dying. He's very weak.

Now, you go, as I send you. Kneel down and pray for him. I'll pray for him here. God will heal him. Do you believe? Will the audience believe?

Father God, with the faith in the heart that comes moving up, believing that You're here to make the sick well, and her reaching and getting a prayer card and was called in this line, not even for herself but for someone else. God, I pray, as she's standing for someone else... What a Christian act to know that Christ stood for us all. When we were guilty and unworthy, Christ took our place. And I pray that You'll grant her--her request. In Jesus' Name. Amen. God bless you.

L-103 Have faith in God and don't doubt. How about it, little lady? Nifty little boy there... Something happened when you picked that child up. You want him prayed for, don't you?

Yeah. You need prayer yourself. Your trouble's in your side, your right side. Isn't that right? You believe me? Your setting straight from me, no spirit between you and I but the Holy Spirit.

Your little boy has got a rupture. Is that right? I've never seen you in my life as I know of. We're strangers to one another. I want to tell you something: You named that baby after my boy. His name is Billy Paul, isn't it? You believe me to be God's prophet? Then receive what you've asked for in Christ's Name.

Oh, living God, move heavenly Father. Let the people be awakened quickly to know that this is the same precious faith, the Spirit of the living God, Who loves you in the...?... in Jesus' Name I pray.

L-104 Now, be reverent now. You never know--you'll never know the sacrifice. I hope you wouldn't think I was a hypocrite. But it seems right now after those visions, it's just... I'm just shaking with perspiration on top of my hands. It's just weakness. And looks to me like I can't see very far back in the audience; it's just kindly milky. What is it? It's two worlds. You're laying between them. The people is moving, drawing.

Would you bring someone else? Just a... Brother Cox... How do you do, lady? You believe me to be His servant? I don't know you. Christ knows you. You believe what I've preached tonight is the truth? You do? That Jesus, the Son of God, is here in the form of Spirit to do the same things, and you believe that's Him? If you believe that, that heart trouble, it-it won't bother, just it'll leave you. You believe it?

L-105 Your eyes are going bad too all the time...?... That's right. And you're extremely nervous. Isn't that true? Now, that you might know that I was God's prophet, there's somebody here with you tonight that wants to be prayed for. That's right. And that's your husband. That is right.

If I tell you what's wrong with your husband, will you believe

condition. Isn't that right? Does Jesus still live today? Amen. Certainly. That's Him standing here now that knows you, not your brother, It's Him. Will you believe Him now? Will you believe Him, audience?

Our heavenly Father, feeling the Dove come sailing down from heaven, standing here to anoint and to help we poor unworthy creatures... And here stands this, our sister, in Christ tonight, being the first one to walk up here to display her faith in Thee. She has someone who is suffering. Just now, Lord, Thou knowest all about it, and she, herself, is suffering. And the--the humility of my heart, and with all my strength and soul, I pray that You will give to her the desire of her heart, and in confirmation of Thy Word which You said, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover," and this I do in Jesus' Name. Amen.

Now, report to us, sister, you--their condition. Find it even as you have believed, and may the Lord grant it. [Mark 16:18]

L-76 You love Him? Now, just a few moments to get a few of these people up here. How do you do, lady? Now, let's everybody be real quiet, be real reverent, and we don't know just what He will do.

A... Someone in the audience touched Him just then. That's right. There was a woman, she had a thing around her arm, one of these things that the doctor squeezes and blows up. Just a moment. She's here, just the same as the woman who touched His garment. That was on the end of the row: high blood pressure. That's right, isn't it, lady? If that's right, stand on your feet, the colored lady here with the little tie on. Uh-huh. Is He still Jesus today? The lady with no card, no nothing, just setting here and she touched Him.

L-77 Now, sister, the Lord bless you and give to you the desire of your heart. And as Jesus said to the woman, "Go in peace." May God reign with you. Amen.

It's just simple believing, having faith. "If thou canst believe,

there's nothing under cover. That's right. God doesn't do things under cover. He does things out in public. And by the grace of God, I don't say He will do it. I may have to say, "Well, lady, I'll pray for--for whatever is wrong with you," and let--let you go on. I may have to do that, if He doesn't anoint me.

But if He would anoint me with His Spirit, then if His Spirit that lived in the body of Jesus would happen to come upon this body, by grace, not worthy, but His Blood sanctifies and makes worthy. Then if He would anoint me for the purpose of the salvation of these people, and reveal to you, just what's wrong with you like He did what was wrong with the woman, would you believe with all your heart that He's raised from the dead, and He's the same yesterday, today, and forever? Will the audience believe the same thing? [Congregation says, "Amen"--Ed.] All right. May the Lord grant it is my prayer. [Hebrews 13:8]

L-74 Now, if I could help you, lady, and wouldn't do it I'd be a terrible person. But I--I can't help you no more than I can yield myself to the Spirit of God.

But seeing now, as the Holy Spirit gives the anointing and you're conscious that something's going on... That--that--that's the Holy Spirit. That... You are a Christian. You're a believer. Yes. You just... Your life couldn't be hid now. See that that you feel at this time, actually feel it working in you... And standing between me and you is the Light. It's the Angel of the Lord. The same Spirit that (See?) met Paul on the road down to Damascus: a Light. They got the picture of It. Did you ever see the picture of It? You see It in my books and where it had it in Washington, D. C. That's just exactly what's moving on you right now. [Acts 9:1-9]

L-75 You are a nervous woman. That is right. You're bothered with a nervous trouble. You got a lot of sorrow. You got something on your heart that's real bad, and it's concerning someone: a son. That's right, isn't it? That son is a mental

me to be His servant, and believe that Christ is standing there, that me, a man, could know not these things? I see your husband can't sleep at night or something. It's something bothering him. He's up-and-down all the time. And that's caused by a nervous condition, and it's right under his eye. I seen it moving in his eye. It's right in... Isn't that right? Raise your hand if that's true. Then, do you believe God? Then come here. Come here.

Jesus, dying...?... said, "Come unto Me, all ye that labor and are heavy laden, I will give you rest."...?... If He was here tonight...?... But the woman believes that that a covenant with God. She's brought herself to the platform, and she's respecting You, Lord, as she's praying and weeping here, holding my hand. And as Your servant, her brother, I ask for these blessings, that she may be made whole in Christ's Name. Amen. God bless you, my dear sister. And may His blessings be with you. [Matthew 11:28]

L-106 Young fellow, I want to ask you something. What if I didn't say a word to you, just prayed for you. You believe you'd be well? You do? Come here, you was healed when you passed the corner.

Father, I thank Thee for Thy goodness tonight. And I pray now that You'll bless him and ever keep him in the perfect condition in Christ's Name. Amen. God bless you, brother. Just on your road and rejoice and being happy.

Do you believe? Would you accept me as His servant? Not as Him, but as His servant, representing Him to you? And then, if He had sent me to represent Him, then my prayer would help you, wouldn't it? If an ambassador went from Canada to-to Russia, and if the Canadians there, when they sent him, all the government the behind him. Is that right? If we come representing His ministry powerfully and the death of the Lord Jesus, then all heaven is behind the Word. Is that right?

L-107 Now, as... But God has made it basically. That it's your faith that does the healing. Now, your conditions, I know.

Your healing has been completed. What about your faith? Would you believe it? All right, from being a--a nervous type of person, you've caused yourself to have an ulcer in your stomach, a stomach condition. That's right. Isn't that right? And you can't eat. But now, go eat you a good, fat hamburger. Enjoy your meal. Let the faith of the Lord Jesus make you whole.

Heart trouble kills a lot of people. But Jesus Christ is the Saviour. Do you believe that, my brother? You do? You now will accept Him in every way, and believe that God will remove every doubt and fear from you, and Christ will let you live, and will you live for Him with all your heart? Come here. Dear heavenly Father, as I hold myself to this man knowing and seeing the shadow following him, and as Elijah put hisself upon the body of the dead baby, I pray God that You will heal this our brother. And grant his blessing through Jesus Christ's Name. Amen. God bless you, my brother. Go on your road, and rejoice, and forget all about that you was sick or anything that happened or whatmore. [II Kings 4:35]

L-108 Oh, nervousness is a bad thing. Christ is the Healer. You believe that, don't you, lady? Do you believe He will make you well? With all your heart? Let's bow our heads. I want to show you something, lady. Everyone out there suffering with nervous condition, raise their hand. I want to show you what's in this crowd looky there. See? That full, just can't call them, there's so many of them there. Now, believe with all your heart.

Heavenly Father, in the Name of the beloved Son, the Lord Jesus, I challenge every unclean spirit, every devil and ask that it leaves in Christ Jesus' Name. May every nervous person in this building be made completely whole at this time. In Christ's Name I ask it. Amen. God bless you. Go rejoicing, going happy.

Let us say, "Praise the Lord," [Congregation says, "Praise the Lord."--Ed.] everybody. And we rejoice in the exceeding

the day of Judgment, and you've got to stand with me. You all will be a witness. You better receive It tonight.

L-71 Now, we know not one another. I have no way of knowing you. We're two different people, and we are... I'm a white man; you're a colored woman. And it's a very beautiful picture again of the same thing that happened... Somehow or another tonight, I was going to call from number 1, but Something kept telling me, "Say 45; say 45." And I started to say, "One," and Something said, "Forty-five." And I said, "Forty-five," and a colored woman raised up for first.

There you are. Now, what is it? It's a picture. The Holy Spirit's right here now. See? It's a picture to show you people that Jesus the same yesterday, today, and forever. Here... He was a Jew; the woman at the well was a Samaritan, a different race, and there was a racial segregation; and here's the same thing tonight: white man, colored woman.

And then the Jew said to the woman, said, "Bring Me a drink. [Hebrews 13:8], [John 4:7]

L-72 She said, "Oh, this segregation laws," in other words, "cause us... How do you Jews have any dealings with us? It's not custom for you to ask such a thing as that." See? Oh, it was awful. But Jesus let her know right quick there's no different. We're all creatures of God regardless of our colors. But here it is...

And Jesus talked to her a few minutes until He carried the conversation, till He found what her trouble was. Then He told her. And what did she say? "Why, we know the Messiah will do this when He comes. But Who are You? Are You a prophet?"

He said, "I'm the Messiah." Now, if that was His sign then, it'd be a sign tonight. [John 4:9, 19, 25-26]

L-73 You believe that, lady? Now, as an Eternity-bound person, being I've preached at length, and a--a person that got to meet you at the judgment... And the audience here,

face while hot tears are finding their way down their cheeks, mothers, holding their little baby, dad's with their hand over on mother, and her sick, people setting in wheelchairs, laying on cots, some of them with heart attacks, dying with cancer, Satan, you are cruel. Jesus is righteous. We adjure thee, Satan, by Jesus' Name that you depart from every one of them, and let them go home tonight free, rejoicing, and giving God praise, and claiming that Divine healing promise that God has freely given them." Through Jesus Christ the Lord, we ask it.

L-108 With your heads bowed, your hearts open before God, how many feels that in your heart you can now accept Christ as your Healer? Raise up your hand, you that's sick. God bless you, that's right. Amen. Oh, praise be to God.

Keep in prayer, while we... Keep your... That's wonderful. I seen a man quivering, putting his hand up, and it come on out straight. Praise the Lord; that's good. Have faith. Now, while we bow our heads, I'm going to ask Brother Cox, standing here by my side, to offer prayer, and have all those who desire to pray come to the altar just a minute, after prayer.

Shall we pray. Brother Cox, if you will.

56-1001 - Lane Tech High School, Chicago, IL (Paragraphs: 69 - 90)

L-70 Now, if that's what He does... And the only thing you can do is... Only thing I can do is yield myself, just yield, just get myself out of the way and just let Him say it.

Is, Billy... Is this... Is this... Brother Wood, if you will... Come here, lady...?... Now, this lady who is standing before me; I suppose we're strangers to each other, are we, lady? We have never met in our lives. I want you just to watch now so you can draw the... Ask the lady; she's here as a--as--as a eternity-bound person, and I've got to stand with this woman, 'cause we both live in the same generation. I've got to stand there at

abundance of our Lord Jesus Christ. All right, come up, please.

L-109 All right, everybody ready? Set...?... Oh, yes. All right. Heavenly Father, I pray for the little lad and ask that You will heal his eye, make him well, bless his loved one here and may this all be to God's honor and glory through Jesus Christ's Name. Amen. Don't doubt, believe, you be well, everything normal and well.

Let's say, "Praise the Lord." [Congregation says, "Praise the Lord."--Ed.]

A man is setting, looking at me in a chair. There seems to be a light around the man. Oh, I see. You have accepted Christ as your Healer. Isn't that right? I don't know you. That's your wife setting behind you. Got a back trouble. She wants to be healed also. Don't fear. Have faith, believe God. You shall have what you ask for.

L-110 Little lady with her head, setting there, and a white hat on, praying, green coat. Have faith in God. God can heal that slipped vertebrae. You believe that?

Little lady, setting there is also praying right there, with a red dress on. Got hemorrhoid troubles, you got arthritis. Isn't that right? You believe Jesus Christ makes you well? All right. Go home and be well in Christ's Name. You believe the arthritis left you? Believe you can go home and be well? Accept it? Then go and rejoice. How many wants to be healed? He's here.

L-111 I speak in the Name of Jesus. The Holy Ghost has moved in here, and I can't even hardly see the audience no more. If you'll believe God... If God has manifested Himself here in any manner and you believe God spoke it, I challenge you in Christ's Name to accept Him now as your Healer. Do you believe it? All right. Put your hand over on one another while we pray...?...

Our heavenly Father, we come in Jesus Name. And, Satan,

you're defeated, not only are you defeated, but you're exposed. You thought you could hold this group of people, but you can't. They done got away from you. They come out of...?... promise of God. They believe me as God's prophet, and...?... come out of them in the Name of Jesus Christ, I adjure every sickness and every disease to leave the people in Jesus' Christ's Name. Now, raise your hands to Him. Thank Him...?...

Believe Him with all your heart now,...?... praise to the Lord...?... Hallelujah...?...

56-0816 - Prince Albert Arena, Prince Albert, SK (Paragraphs: 93 - 108)

L-94 Now, everyone that has a need, just look this way. Let's take this aisle over in this part first. Now, look this way and just believe. And just say, "Lord, I believe with all my heart that Jesus is the Son of God, that He died for my sins, and I've confessed them to Him. I'm sick now, and I have need."

And I believe that the same Spirit was in Christ is here, the same One that set at the well and told the woman, talked to her, and said, "Go, get your husband," so forth.

And she went and got, said, "I have no husband to get." [John 4:16-17]

L-95 Now, as I started, I have to stop my speech, 'cause standing between me and yonder, stands that Light, the Holy Spirit. Amen. God be blessed and honored forever and ever among the praises of His saints.

I believe It is settling here by the side of a man with a white-looking sweater. No, it's going just behind him. It's settling on a little woman with her hand up like this to her chin, the Angel of the Lord. She's got her hand up. She's sad, and she's praying, and she's got a burden on her heart. And little lady... It's you, right back here; you were praying that God would speak to you, and you would accept, if He'd have me to turn and tell you what you were desiring in your heart. Isn't that

heal you more than you want to be healed. And I've done all that I can do now; I gave My life; I shed My Blood; Father tore the Spirit and Body apart. I returned to be with you.

L-105 It wasn't Brother Branham; it was just, he just yielded hisself. I sent him and he just yielded himself. And it's Me speaking to you, not him. But he's telling you the Truth. He's not taking credit to himself; he's saying it's Me. And I was the One Who died for you. And won't you believe Me just now, the Son of God?" Hear Him say that to you? Then believe Him while we pray.

Heavenly Father, just stand real close just now. Just may each tender heart feel that nail scar as it rakes across by your hand as you touch, saying, "I'm just raking away all the iniquity and all the unbelief. I'm going to heal tonight and give you faith to walk away and believe with all your heart since I, the Son of God, has made you well." Grant it, Lord.

L-106 May those that are sick, or bound, or afflicted, may this be the end of their suffering. May every pain leave their bodies just now. May all the sick feeling, and the--and the nausea, may it all leave. And may those who have been crippled, may they just feel the glory of God going down through their limbs and just bringing them back to their normal condition. God, the Father of Abraham, we being the seed of Abraham, grant this blessing, Father.

L-107 And I challenge the enemy who has challenged them. And we bring back, not in our own strength, but the Blood of the Lord Jesus, and say to him, "Satan, you are defeated. Jesus Christ strips you of everything you had at Calvary. You haven't got one legal right, not one legal right. Christ has redeemed everything that Adam lost: our health, our strength, our eternal spirit was lost in Adam, but Christ has given It back to us again freely by grace. And He's here tonight among us, alive, working, doing signs and wonders.

And the people setting here with their handkerchiefs to their

with all your heart that God will hear and answer prayer? You do? Yeah...?... church, you know... Never seen you in my life, but that life could not be hid now. All right. You believe now? You are not from this city either. It's the Saskatoon, Saskatchewan, where the river comes through the city. Have faith. Let's pray.

Dear God of heaven, be merciful. Grant unto her, her request, I pray in Christ's Name. Amen.

What about someone else in here? Have faith. Don't think you're hopeless.

I see a poor lady setting with her head bowed. She's in a death condition with cancer. She's setting in a little seat, little love seat, her little family-like setting with her. Mrs. Hansen, do you think that the Lord Jesus could make you well? How did I know your name? Just believe Him now with all your heart.

God, be merciful to that poor, dear person. Spare her life, Lord, under the wings of the Almighty. May You bless and protect her. Your loving Spirit's here just chilling every heart with Your blessing. Grant it, Lord.

L-104 Now, friends, look this way just a minute. Are you convinced that Jesus raised from the dead? You believe He's here tonight? It weakens me so a just yielding myself. Now, if you have...

If I've found grace in your heart, do this for me, will you? No matter what condition you are, accept Christ just now as your Healer, like you would your Saviour. Let me pray for you right there. He will here my prayer just the same from here as He will from there, if you was up here. And then, I believe every one of you can get up and go home and be well. Do you believe that? Now, let us bow our heads just a moment. Everyone reverent.

Just take a little mental trip now, and remember, imagine seeing the Lord Jesus walking right down the aisle, standing there by the side of you, saying, "Child of Mine, I--I want to true? If that's true, stand up just a minute. All right. Just remain standing just a moment.

L-96 Now, to the woman, I have never seen her in my life. But to me, she's just looking--kind of a white-like Light around her. Almighty God knows that's true. The woman is a praying in her heart of a desire that she has for someone else, and that's her father. And that father has had a trouble in his breast, or no, it's his heart. He's having heart attacks. It's your father. That's true, isn't it? You believe me to be His servant, the Lord's servant?

Isn't that your husband setting next to you? I see the Light moving to him, back and forth. You have something about a chair, a wheelchair. You've been in a wheelchair or something; the man has. You had some condition, you've accept... Oh, you've been healed in this meeting out from a wheelchair: smothering or something, trying to... And it's trouble in dizzies, and... That's right. Well, the Lord bless you, go, and receive everything that you have desired. God be merciful to you.

L-97 Do you believe? Would you do me a favor while you are standing there, sister, being that God's been so tenderly to you, that the people might know, because there was something about this man here that been previously done... The lady setting next to you has dizzy spells. And she wants to be prayed for too. Would you lay your hand over on her and pray for her?

Our heavenly Father, I pray that You'll remove all of that condition, and may she be well. I pray in Christ Jesus' Name. Amen. Amen.

Now, lady, you that had the dizzy spells, you know that's true. Now, they have left you, and just rejoice and be glad, for the Kingdom of God has come nigh to you.

Do you believe the Lord Jesus? Have faith in God; don't doubt. Somebody up in this a way, somewhere up in here, have faith. I can't make it do it. But just believe.

L-98 Now, there is a man setting back there, looking at me, just behind this boy here that's blond-headed. I see it settling down around him. You, sir, you, that looked down, you that was praying, you have high blood pressure, don't you, sir? Yes, sir. Stand to your feet: you. Strange isn't it?

That's your wife setting next to you there? She has diabetes, doesn't she? Isn't that right, sir? Raise your hand. Put your hand over on her.

Now, you both know that you feel a real strange feeling, don't you? It's the Holy Spirit there. Have faith in God, my dear brother, have faith in God.

L-99 Now, Father God, You Who are omnipresent, omniscient, omnipotent, bless this couple, I pray in Jesus' Name. Thou has, by amazing grace, has touched them. And I pray that their faith will touch Thee, and be made well for the glory of God. Amen.

God bless you, my brother. Not me, I don't know you; I never seen you in my life. Isn't that right? We're strangers to one another. It was good...

My heart just reaches out to a woman setting on the end of the seat crying, weeping. You believe, sister? You look... You believe? Just with pure compassions, looking, I don't know, He would say something. You must be in need, or something, or you wouldn't be weeping or praying like that.

L-100 There He is. You have trouble with your heart, don't you, lady? Stand up on your feet just a minute. Do you believe me to be God's prophet? We are strangers to one another, aren't we? But your faith touches Him. You've got more than your load. You've got a domestic trouble too, don't you? Your husband's a sinner. You got a broken up home. That's right. You're not from this city. You're from a place called La Ronge, something like that, Saskatchewan. That's right. Your name is Rienberg. That's right. Rienberg... So now you believe with all your heart now? You accept Christ

as your Mediator between God and you, and believe that your troubles will all leave? If you do, raise your hand to Him.

Heavenly Father, in the Name of the Lord Jesus I ask the blessing for this dear soul. May she receive that which she has asked for in Christ's Name I pray, for the glory of God. Amen.

God bless you, sister. Receive.

L-101 What about you people in here? Do you believe? Have faith in God. Don't doubt, but believe. "If thou canst believe," said the Lord Jesus. You can receive, but only as you do believe, that you can receive. You have to believe. [Mark 11:22], [Mark 9:23]

L-102 I see rising before me, a lady. It's in vision just as our Lord Jesus said He seen. The woman is in this direction, and she's praying for a daughter that's backslid. That's right. It's the lady setting here with the little, kind of a little thing over her head. She's wearing a brown coat. She's setting right down here. Yes. You believe that Jesus Christ will answer your prayer? You do? Amen.

Let's look to God, see what we see about the girl: once a Christian, now a backslider with habits, smoking cigarettes. That's right. The girl is not in this country; she is in a place called Toronto. That's right, isn't it, lady? I don't know you, never seen you. Is that true? Wave your hand like that if it's true. That's all true, isn't it? May God give you the desire of your heart, my sister.

Heavenly Father, as the woman's faith could touch the border of the garment of the Lord Jesus upon God's unconditional covenant given by grace to His people, I pray, as a minister of the Gospel, that You'll give her the desire of her heart, through Christ Jesus' Name I pray. Amen.

L-103 What about this section? You believe with all your heart? I see a terrible thing happening. It's a woman setting out here in the front row praying for her daughter that's in the insane institution. That's right, isn't it, lady? You believe
