Subject: Thanks A lot!!!

Dear Living Word Broadcast,

I am very thrilled to notify you that the package which you had promised me over the internet has finally arrived. Honestly, I didn't anticipate that I would also be receiving the six Messages, in addition to the bibliography. May God bless you. You will be glad to know that among many titles of other messages by the prophet of which I had only heard about and desired so much to read, "The Token", which you included in my package, was at the top of the list. I will definitely do my best to remember you in prayer, especially that each one of you, as Brother Branham advised "stay with that tape teaching" in your own individual lives. I also appreciate the E-Magazine/Newsletter, it is really a blessing.

Once more, God bless you and richly prosper you in your mission and objectives in the name of our Lord Jesus. May he also grant you to be willing and worthy partakers of the Rapture.

Yours truly,  
Bro. Happiness Munedzimwe

**“What good does it do** to join church if you **haven't got Christ in your life**, and Christ identifying Himself in your life. See? "These signs shall follow them that believe." [Jehovah Jireh 3. Louisville MS, 64-0404]

"We can come and set and agree with the Word, and everything else, but **don't have that Token, what good does it do us?** No good. Get beneath It. He was not responsible for anyone out from under that blood. And He's not responsible for anybody today out from under the Token." [The Token, Dallas TX, 64-0308]

**“What good is a God that could heal** a leper in the days gone by, if He can't do the same today? A historical God's no good, if He isn't the same God today. That's right. He is the same God today, yesterday, today, and forever, the same One, only asking the same faith that they exercised." [Greater Than Solomon Is Here, Port Alberni BC, Canada, 62-0725]

**“What good's the ark without God?** It's just a wooden box, couple tables of stone. That's like taking communion, being baptized. **What good does it do to be baptized if you're not first repented? What good does--take communion and become a hypocrite, if you don't live the life and believe the rest of God's Word?** Take part of It and not the rest of It, it shows there's something wrong." [Trying To Do God A Service, JEFF IN, 65-0718M]

"Oh, people, fast and pray, get ready, Jesus is coming soon. I believe it. Be ready. **What's it going to profit you if we should gain all the world then lose our soul. What good would it do us?** No good at all. **Let's serve Him with all of our heart.**" [Led By The Spirit, Minneapolis MN, 50-0715]

We pray also that God will richly bless you and your loved ones.

## Featured Questions and Answers

### QUESTION:

**Did Brother Branham believe that theophany is the same as our guardian angel?**

### ANSWER:

"Just before the coming of Jesus, He sent an Angel down out of heaven by the name of Gabriel. Now, minor angels comes, my, yes, you see angels. Every one has a guardian angel according to the Scripture. Jesus said, "Their angels always beholds my Father's face which is in heaven." [The Resurrection Of Lazarus Evansville, IN 53-1122]

"Explain about each person's angel who abides with them from birth." Now, if you notice... Now, this is pretty deep. Now, I never--I just picked it up. Now, the... Part of it's wrote in type and the other one is with a pencil--or pen. Now, there is an Angel, but this Angel of the Lord that are encamped about those that fear them--that fears Him. See? Now, it isn't promised that sinners has Angels; it's only the redeemed has Angels. Did you know that? The Angels of the Lord encamp about those that fear Him. Now, Angels are messengers. I want you to notice It's so perfect, and it'll prove predestination to you. See?" [Questions And

Answers 4 Jeff. IN COD 64-0830E]

"Now, but when the mother... The little baby is dropped to the earth from the mother's heart ("dropped," you understand what I'm saying, what way I'm--the reason I'm saying it this way), when the little baby is dropped, what happens? As soon as it comes forth, if it doesn't start crying, the doctor, midwife, or whatever, will spank it [Brother Branham claps his hands--Ed.], stretch it. It's got to have a shock, and what happens? Notice, a mother, she can be ever so mean and cruel, but just before that baby's born, there's a certain kindness that sets in. Did you ever notice a mother when she's to be mother? There's something sweet about her; she always takes on that sweetness. It's because that--that little angel, little spirit, a little messenger to this little tabernacle is ready to come forth into the world. And then, when this little angel comes into the body (That's a little angel of the earth, a spirit that's ordained of God to take this body.), then that baby has to have a choice. It makes its decision. Then when this takes place, then you see the Angel of the Lord now comes in here which is a spiritual body, that eternal."

[Questions And Answers 4 Jeff. IN COD 64-0830E]

"Now, we see the attribute sons of His Spirit have not yet entered into the Word form body, but--a theophany. This body is subject to the Word and earnest--waiting for the earnest change of the body. Now, the different between Him and you as a son... See, He was at the beginning the Word, an "En morphé" body. He came in and lived in that in the Person of Melchisedec. Then later... We never heard no more of Melchisedec, because He became Jesus Christ. Melchisedec was the Priest, but He became Jesus Christ. Now, you bypassed that, because in that form He knowed all things. And you have never been able to know that yet. You come like Adam, like me. You came from the attribute to the flesh to be tempted. But when this life is finished here... "If this earthly tabernacle be dissolved, we have one already waiting." That's where we go; that is the Word. Then we can look back and see what we done. Now, we don't understand it. We have never become the Word; we've just become the flesh-man, not the Word. But...And look clearly, makes it clear you will never be the Word unless you was a thought at the beginning. That proves the predestination of God. See? You can't be the Word 'less you're a thought. You had to be in the thinking first. But you see, in order to stand temptation you had to bypass the theophany; you had to come down here in flesh to be tempted by sin. And then if you sin... "All the Father hath given Me will come to Me, and I'll raise him up at the last days." See, you had to be first. And then you see, He come right down the regular line, from attribute to..." [Who Is This Melchisedec Jeff. IN V-5 N-10 65-0221E]

"Before the foundation of the world his Name's put on the Lamb's Book of Life. Then from that He become the Word, the theophany, that could appear, disappear; and then He become flesh and returned back again, resurrected that same body in a glorified condition. But you bypassed the theophany and become flesh-man to be tempted by sin. And then "if this earthly tabernacle is dissolved, we have one already waiting." We have not yet the bodies. But look, when this body receives the Spirit of God, the Immortal Life inside of you, it throws this body in subjection to God. Hallelujah. "He that's born of God doth not commit sin; he cannot sin." Romans 8:1. "There is therefore now no condemnation to them that are in Christ Jesus; they walk not after the flesh, but after the Spirit." There you are. See, that throws your body subject. You don't have to say, "Oh, if I could just quit drinking, if I could just..." Just get in Christ; it's all gone. See, see? Because your body is subject to the Spirit, it's no more subject to the things of the world; they're dead. They are dead; your sins are buried in baptism; and you are a new creation in Christ. And your body becoming subject to the Spirit, try to live a right kind of life..." [Who Is This Melchisedec Jeff. IN V-5 N-10 65-0221E]

**QUESTION:**

**Could you tell me what Brother Branham said about the Mormons?**

**ANSWER:**

"Read, brother, now if you have it. [Brother Neville begins reading I Corinthians 15:29: "Else what shall they do which are baptized for the dead, if the dead rise not at all, why are they then baptized for the dead."--Ed.] Now, my brethren, there's one--one people that believes that. They baptize for the dead; that's the Mormons. Now, I've been in their temples many times; they're very fine people. You may be a Mormon. Now, I am not trying to hurt your feelings. But my dear friend, you can't be baptized for your father. That's a act he had to do. The way the tree leans, that's the way it falls. Paul speaking here was talking of the dead Jesus Christ. If the dead rise not, why are you

baptizing in Jesus Christ's Name then, if the dead rise not? See what I mean? Then you're... He said, "Let them eat, drink, and be merry, for tomorrow we die if the dead rise not." But he goes ahead and glorifies God for the resurrection of the dead. And we're baptized in Jesus Christ, unto His death, burial, and resurrection. That's why we're baptizing for the dead." [Questions And Answers Jeff. IN 54-0515]

"I didn't know he was a Mormon. And I was a very... I know, being it in Utah, it probably was, but I... 'cause most the people up there are Mormon, around Salt Lake City. This wasn't Salt Lake City, however. So I thought, "Well, I've had some fine Mormon friends, been in the prayer lines, fine people." And I said, "I have met some very fine men who are--are Mormons." And he said, well, he said... I said, "I don't know their teaching on that, and I wouldn't want to say something contrary to their teaching, because that's what you are, and I respect that highly." And I said, "Well, and you believe that?" He said, "Yes, sir, I do." But said, "I don't live to it." I said, "Well, I believe that the Bible teaches that God knew that baby millions of years ago before the foundation of the world." I said, "God told Jeremiah, 'Before you was ever conceived in your mother's womb, before you ever was come forth from the belly, I knew you, sanctified you, and ordained you a prophet to the nations.'" I said, "That's how much He knew about it. See?" He said, "Well," he said, "thank you." He started walking down the hill. And then he met with this other fellow, and he said, "Why didn't you tell me

that guy was a preacher?" And so we... He talked to him a little bit and begin to tell him about the meetings." [Proving His Word LA, CA V-18 N-3 65-0426]

"Now, Mormons believe prophecy. I don't--might not be any here, but they--but they do believe in--in prophecy. But, so, now, maybe I'm talking out of school, well I... Yeah. Yeah. But, however, they believe. And he say, he come back to me, said, "I understand that you are a prophet." I said, "No, sir." I said, "I... The Lord has showed me a few things to happen." And he took off right away, said, "Let's go in." And he got in his car, and went down to the... There was a little city from where he lived. In a few moments he was missing. We was fixing the dogs to take another hunt right after lunch. And when we did, why, he took off in a car. In a few moments, a fine-looking young man come back, about seventeen years old, a real saintly-looking Christian gentleman. He said, "This is my brother." Said, "He is not a Jack Mormon. He's a real Mormon." I said, "How do you do, son?" And he said, "I understand, that my brother tells me that you are a prophet." I said, "No, sir." I said, "It isn't that I am a prophet." I said, "The Lord has showed me things to come to pass." He said, "I have a shot in my arm right now; I'm supposed to be on the operating table." He said, "But my brother told me this. And I said, 'If that's so, I don't need the operation.'" He looked me right straight in the eye, an honest, true, sincere look, said, "You lay your hands upon me. If these things are so, I won't need the operation." He went home well." [Proving His Word LA, CA V-18 N-3 65-0426]

"This brother, Christian friend of mine, was hunting with me from Phoenix. He said to me, he said... Some of these boys are setting right here now. One of them I know is here present. We went home. He said, "Brother Branham, if the Lord would show you a vision and let you tell them Mormons just what's going to happen, that will do it, because they are looking for it." So I prayed and I prayed. And on my road back home, I was coming up on the following Monday, Sunday, about ten o'clock, I was standing in the room, after church that morning, and was looking out. And I saw flashlights flashing, or some kind of a light flashing. And I saw a lion that was in a tree, and--and it was too small for me to shoot. I didn't want it. And there was someone else shot it, and when they did, they shot it with too big a gun. It blowed the lion up. I didn't appreciate the--the--the way it was done." I managed to wake up and it was so real I was indeed choking and gasping for breath, but what surprised me the most is that within my dark room and on my wall was clearly a bright white light the size of an A4 paper right above my head and knew for once that yet another battle had been won for me. Blessed be the Lord Jesus Christ

Firstly and fore mostly, let me give thanks and glory to God for saving me. It is truly Amazing Grace!!

I just want to testify how I came to believe in our Lord Jesus Christ. I was about halfway through high school when I got speaking to my English teacher (who was already saved) during break times. I would go there every break and ask questions and listen to what he said, cause I believed what he said came from God. Then I asked him what must I do to be saved. So he gave me a scripture to read: Acts 2:38. I went home and read it and I wanted to be baptized in the Name of Jesus. I was at that time still in the Methodist and asked them to be baptized. But, they told me that because I was baptized as a baby I did not need to be baptized again. That was not good enough for me and I lost interest in any form of denomination. But then, our school headmaster told my English teacher that he may not speak to us anymore because the teachings didn't belong to any church organization. So I was not allowed to speak to him about it anymore. But I told myself that I would not believe anything again until I hear what I heard there.

About 7 years past and my life had started backsliding completely. Until one day, I said to myself that there has to be more to life. I could not come to grips with the fact that all you do is work, grow old, die and that the way my life was going could not be all there was to it. There was always something missing. That same evening an old classmate of mine phoned me up (one who I hadn't really spoken to in 5 years) and he asked if he could come visit. I cancelled a squash game I had and said that it would be fine. He came over, we got talking about general things, and the conversation finally led to speaking about God. I said to him that the things he was saying, sounded a lot like the things that my old English teacher had told me. Then he told me that that same English teacher was now a pastor at the church he attends. Next thing I knew I went to go visit the old teacher of mine and shortly afterwards I was baptized in the Name of Jesus Christ. I'm so glad that God had made a way for me. And for all my brothers and sisters in Christ. Praise the Lord!!

● **March 17, 2005 - 05:52 PM Veronica Manola from United States** Your work is truly a blessing. I will continue to pray for the ministry!
