**"Listen to His still small voice.** Every one of you people who profess to be Christians, get yourself quiet before Him. Don't let the washing hinder. Don't let the work hinder. Don't let nothing hinder. Don't let nobody know what you're doing. Just go before Him. Get up in the woods somewhere. Get out on the side of the road. Go into the secret closet and close the door, when the kids gets at school. There get down on your knees. You've heard all kinds of voices everywhere. But just get down and stay there until those voices are silenced and you begin to lift up. It'll change you. It'll make you different like it did this little Samuel. It'll do something to you if you'll just do it. Now, it'll make you what you should be. It'll make you the kind of Christian that you ought to be." [Hear His Voice, JEFF IN, 58-1005M]

"If you want something of God, ask Him, then stand still and listen to see what He's going say about it. Just open up your heart, say, "What about it, Lord Jesus?" Just stay there. If He doesn't answer the first five hours, then wait another. If He doesn't answer today then He will answer tomorrow. If He doesn't answer this week, He will answer next week. Stay there till He answers. Hear His voice speak back in your heart, and say, "Yes, I'm the Lord that healeth thee." Then it's all over; you get settled then. See? "I'm the Lord Who forgives all thy sins. Now, go and sin no more. I don't condemn you." Then you can go free. You're all right. But you want to be sure that you hear that voice speak. Moses heard it. He was a changed man." [Hear His Voice, JEFF IN, 58-1005M]

"But you have to be desperate about it. You have to really need God. Jesus said, "Blessed are they that do hunger and thirst after righteousness, for they shall be filled." But as long as you're satisfied with the things of the world, how can God ever speak to you? You say, "God never spoke to me." Why? He wants to. But you're too filled up with the things of the world. That's what's the matter with us today. We put all of our time on things of the world and the pleasures of the world, and give no time to God. It's true." [Hear His Voice, JEFF IN, 58-1005M]

"Let's get that still small voice, that something that puts the cream in the life, that something that though you speak with tongues of men and angels and have not that, you're nothing. Though you can prophesy, and speak with tongues, and show signs and wonders, and work miracles, and do great signs, but if that little still small voice isn't in there, you're nothing, says the Scripture. That's what we're listening for now. We've had the thunders. We've had the fire. We've had the rushing winds and the earthquakes, but God send us the still small voice. That's what we need." [What Does Thou Here, JEFF IN, 59-0301E]

"And this voice of God has come to men in all walks of life in all ages. No matter if you're a farmer, if you're a shoe cobbler, whatever you may be, God still speaks. If you're sinner, if you're prostitute, harlot, if you are drunkard, if you are what a local church member, nominal--nominal, whatever you might be, the voice of God to speak to you. [Hear His Voice, JEFF IN, 58-1005M]

"Somewhere, just listen, He will have something for you that He wants you to know about. Pastor, don't you never get too busy but what you can stay in the Presence and listen for His voice. God always keeps His Word. And no matter how bad the times may be, how much your church may teach against it, Jesus Christ is still willing to speak that still small voice to anybody that'll listen for Him. He's still ready to do it if we'd just quieten ourselves." [Hear His Voice, JEFF IN, 58-1005M]

"See, we're so prone to go after the gift instead of the Giver. When you see signs and wonders take place, don't notice the signs so much, but look what's behind it. It's that still small voice that speaks. That's the reason we can't have revivals in America, is because people go after gifts instead of the Giver. That's what's the matter with the world tonight. All that comes out is the elect of God that's still hungering, and thirsting, and calling, and crying for the real thing of God." [What Hearest Thou Elijah, Los Angeles CA 59-0412E]

"Men and women can grow up shouting and praising God, speaking in tongues and belonging to the church, dancing in the Spirit, and paying tithes, still not be in their heart that still small voice of God's rich deep love. "Though I give my body to be burned as a sacrifice and have not love, I'm nothing. Though I give all my goods to feed the poor, I'm still nothing. I have faith to move mountains; I'm still nothing. I--I--I do speak with tongues as men and angels; I'm still nothing." See, it's that still small voice that speaks down in your heart, that changes every attitude, makes the nature different, and you become a new creature in Christ. What hearest thou? Depends on what you're listening for, friend." [What Hearest Thou Elijah, Los Angeles CA 59-0412E]

"And, brother, when you once set still enough and listen, till you can hear that still small voice of Christ, It's different from any message you ever heard in your life. It brings a peace; it brings a satisfaction. It does something to you that stirs your innermost being. You're never the same. Man cannot meet God and talk with God, and ever remain the same again." [It Is I, Lakeport CA, 60-0720]

"I want to hear that still small voice of my Saviour. Oh, help me to wait, Lord, and to renew my strength as I wait on You. And help this church, Lord, that they shall wait upon You. And renew their faith, and renew their strength, and mount up like wings of eagles. May they be listening, Lord, not for the noise, not for the shout, but be listening for the still small voice." ## Featured Question & Answers

### QUESTION:

**I know we can claim our children, but I was just curious, about all the ones we loved in our past, will they be there as well too?**

### ANSWER:

"Dear, Brother Branham, will all the sons and daughters of true, borned again believers be saved? No, brother; no, they sure won't. See, as I--as I copied David duPlessis on this remark, "God don't have grandchildren (See?), just sons and daughters." See, they'll have to be born just exactly like their father and mother was born of the Spirit. See? That's what makes a man a new person, is because he's born again, reborn. His first birth brings him a natural man on earth; his second birth brings him a spiritual man of heaven. See? It changes him, his soul, not his outward conscience, his outward being, his senses; he still feels, and smell, taste, and hear; but his inward parts, his desires, what motivates him, has been changed to God. See?" [Questions And Answers 1 Jeff. IN COD 64-0823M]

"Now, remember, the only way that this could happen would be this: just like it was in the time of the Roman centurion. Paul told the Roman, him and Silas, when he wanted to pull his sword and kill himself, because God had shook the jail down with an earthquake; he said, "Do thyself no harm, seeing we're all here. Rise." And wanted to know what he could do. He said, "Rise and be baptized, calling upon--on the Name of the Lord, and thou and thy house shall be saved." See? In other words, "Believe on the Lord Jesus Christ, thou and thy house shall be saved." Now, how? If your house believes in the same way that you believe. See? You pray and commit your children to God and hold onto God, believing that they will be saved." [Questions And Answers 1 Jeff. IN COD 64-0823M]

"Brother Branham, you said on one of the tapes that Noah saved his household. Does this mean a mother can have the same faith for her household? And does it mean every one of the family will be saved if we believe it? Now, that's... Yeah, that's kind of a... You'd have to watch the way I answer this now. See? First, "You said... (Now, let me see right...) You said on one of your tapes that Noah saved his household." Why? Because they believed. That's it, because they believed his message. "Does this mean that a mother can have the same faith for her household?" Yes, sister. I can see a little mother's heart crying for her people. "And does this mean every one of the family will be saved if we believe it?" Yes, if they will accept it. That's right." [Questions And Answers 1 Jeff. IN COD 64-0823M]

"Remember the Philippian jailer. Believe for both you... If you've got enough faith for your own salvation, can't you have that same faith that'll work upon your people? What is faith? It's an unseen force. See? What is--what is--it's a Spirit. The Holy Spirit brings faith. See? It's a unseen force. Why would I lay hands upon the sick? See? If I can get that personal contact with that spirit in that person there, something's going to happen. See? Here stands the Holy Spirit; He'll reveals the secrets of the heart. He'll do just exactly what He said He'd do in the last day. The people believe that; they look at it, "Yes, sir, I believe that." Now, if I just don't become too common to you (See?), becomes

just a common thing. You tromp through one day and tromp through the next day. See? That's--that's just chance-taking. You don't believe it in the first place (See?), because just as soon as you really believe it... That woman said, "If I can touch His garment, I'll be made every whit whole," and she did it. See? She didn't say, "Let me try it again." See? She believed it. See? That's--that's..." [Questions And Answers 1 Jeff. IN COD 64-0823M]

"God don't have no grandchildren. They come in. The old pentecostal father and mother, under an experience, brought you in; and you just come into the church and sit there, and automatically you was a pentecostal? He don't have grandchildren. He only has sons and daughters. There is no grandchildren. You have to pay the same price and get the same Holy Ghost that they did. You've got to be a son and daughter, not a grandson and granddaughter. He is not an old dote grandfather, soft, and lets his kids get by with anything, bless their little hearts. He is God, the Eternal One! That's right, sons and daughters!" [Once More NY, NY V-18 N-13 63-1117]

"As David duPlessis said one time, "God don't have pentecostal grandchildren." But that's the way you say, "My mother was pentecostal. She had an experience. She did this. My father did so-and-so." That ain't got nothing to do with you. You've got to have the same thing. Now we got seminaries that hatch out our ministers, and we're building bigger ones all the time. And--and we got students of psychology. And that's alright if you want to teach psychology, but I don't care about psychology. I just want to know Jesus Christ, that's all I--I... all I want to know, is Him. Now we find that we've got it. It certainly has to bring to pass the prophecy of Second Timothy 3, where they'd be, "lukewarm," you know, "heady, high-minded, lovers of pleasure more than of God, and trucebreakers, incontinent, and--and fierce, and despisers of those that are good." [Just Once More Lord Shreveport, LA V-17 N-11 63-1201E]

"A young fellow said, the other day, "God loves me so well!" God is a good God, that is true, but He is a God of anger, too. He's a God of judgment. He's a God of wrath. We fail to get that. You make Him so good till you make Him some old dotty grandpa. He's not no dotty grandfather. He is almighty God, and He don't have no grandchildren. He has sons and daughters of God, not shook hands and adopted in. You must be born again, and the Blood applied! It's sons and daughters of God. Not some old soft grandfather, let His kids get by, grandchildren get by with anything. He is not a grandfather. He's a Father. Yes, sir. Every child must be born of Him. He's a Father of correction." [The Token BALF. CA V-22 N-8 64-0208]

"Do your children have to have an experience to have the Holy Spirit? If the--if they see the end-time Message, do they have the Holy Spirit? Every one must have an experience. Your children cannot go in on no other way but the same way you do. See? They've got to be borned again. There's no grandchildren in the Kingdom of God; they're all children. They must have it, must have an experience with God to go in, just the same as you. Now, I hope I can get this. It's..." [Questions And Answers 3 Jeff. IN COD 64-0830M]
