## **59-0405e - Angelus Temple, Los Angeles, CA (Paragraphs: 47 - 69)**

L-48 Now, to you that's in the prayer line, how many of you know that I do not know you or know nothing about you--your cause, raise your hands, will you?. All right. Every one of them. I don't see a person there that I've ever seen in my life. Now again, so the audience--visible audience can see it. Every one of you in the prayer line that knows that I do not know you, or know what's wrong with you, or know your desires, or what you're here for, raise up your hands again. All right. You see it? All right.

Now, neither do you out there. I... The only person, I thought I seen Brother Julius Stadskev here somewhere. I guess it was this afternoon, he was setting along here somewhere.

Now, here is a showdown now for the next few minutes. Now, remember, it's not me. Now, just be seated. Keep your seats, and be real quiet just for a moment. Now, it's not me. I don't know these people; those people don't know me. My hand is before God. I--I don't know a one of them. And they raised their hands that, the same. They don't know me; I don't know them. So something's got to take place if these Scriptures are made true. All right.

L-49 Now, this is a woman coming here now. I suppose that

mike is alive there too, is it? You can stand right there then, lady.

Now, here we are meeting, a man and women, the first time in life to meet. I do not know her, never seen her. And I suppose this may the first time we've ever come this close together unless... knowingly in our life. If that's right, raise up your hand? Yup, that's right. The first time we've ever met. All right.

But she's here for some cause. Now, what can happen? What can Jesus do with this? When I've already said, "By..." If she's sick, by His stripes, she was healed. But He's still the same Jesus yesterday, today, and forever. [\[Isaiah 53:5\]](#)

**L-50** One time in Saint John 4, this come together again, a Man and a woman. Jesus met the woman at the ga--of Samaria, and she... He asked her for a drink. You know the story. And Jesus kept talking to her till He found out what her trouble was. How many knows what her trouble was? She had five husbands, living with the sixth one. And when He told her that, she said, "I perceive that You are a prophet. We know when the Messiah cometh, He will tell us these things." That was the sign of the Messiah.

If He's the same Messiah today... He's gone away and the body of flesh Jesus was crucified. God raised It up and set It on His throne. But the Spirit that was in Him, has come back upon His Church. And it's a yielding to the Holy Spirit. [\[John 4:1-28\]](#)

**L-51** I don't know her, she don't know me. Now, if she believes. All right. She might be a critic. She might be a hypocrite. She might be a Christian. She might be sick. She might need finances, spiritual aid. I don't know nothing about her. If she's a critic, watch what happen to her in the next few minutes. You've been in meetings before you and seen what happened then. Now, here's where the... That's another Ananias and Sapphira case. [\[Acts 5:1-11\]](#)

But now, I'll speak to her just like our Lord spoke to that

woman till He found her trouble. Then if... Let her be the judge. Now, if I walked up and said, "Sister, you're sick." That might be right, might be wrong.

If she said, "Yes, of course he knowed I was sick, I'm in the prayer line." Well, it could be that she wasn't sick.

And laid my hands on her, said, "Praise the Lord, you're going to get well." Well, she should believe that. But what if the Holy Spirit comes here, and goes back down her life, and tell her what she has been. Now, she knows whether that's the truth or not. And if He knows what has been, surely He will know what will be. You believe that?

L-52 I just want to talk to the woman just a moment. Being that this is our first time meeting, and you're quite sure that there's something taking place. Because, standing before a man wouldn't make you feel as you're feeling now. Did you ever see that picture of the Angel of the Lord, that Light, over where I was standing, that they taken? In Phoenix, Arizona, you saw it. All right. That same Light is between you and I now.

Now, if that is the same Pillar of Fire that led the children of Israel, He come and was made flesh. He said, "I came from God, and I go back to God." After His death, burial, and resurrection, and ascension, He met Paul on the road to Damascus. And what was He back again? That Pillar of Fire put Paul's eye's out, made him blind for a season. And He said, "Saul, Saul, why persecutest thou Me?" [\[John 13:3\]](#)

He said, "Who are You, Lord?"

He said, "I'm Jesus," the Pillar of Fire.

Now, if the life of the Vine produces something here, it's got to produce the same fruit here. Then if the Holy Spirit is in here, It'll... That same Pillar of Fire that's standing between you and I now, you being a woman and me man, and if It can reveal to me what you're here for, then God's interested in taking care of your needs. Is that right? Now, you be the judge. [\[Acts 9:3-5\]](#)

Lord Jesus, I pray that You'll heal our sister, in Jesus' Name. Amen.

Name. Amen.

Lord, I pray for the little baby. Grant, Lord, that this condition will leave the child, in Jesus' Name. Amen. Now, you heard the story of little Ricky last night? All right. That baby'd be the same. It's nothing too serious for our Lord. You just believe what I told you now.

Come, sister. O Lord, I pray now as I lay hands upon them, let Your power heal them, Father. This is a blessing that I ask in Jesus' Name. Amen.

Come, my sister. Lord, I pray that You'll heal her and make her well through Jesus Christ. Amen. Believe now with all your heart.

Lord, I pray that You'll heal and make well our sister in Jesus Christ's Name. Amen.

**L-66** Now, remember, friends. All these people are praying for you. When you go off of here, don't go with that downcast feeling. Walk off here saying, "Thank You, Lord Jesus for healing me." What more can He do? There's nothing more He can do. If He was standing right here, wearing this suit that He gave me, He could do no more than what He's doing right now, just do something to make you believe that He's present, and He did it. He's already done it. You have to believe it.

Lord, I pray for sister, that You'll heal her, in Jesus' Name. Amen.

Come, my brother. Father God, I pray that You'll heal my brother, in Jesus' Name. Amen.

Lord God, I pray You heal brother, in Jesus' Name. Amen.

If they could lay in the shadow of a man called Peter, his shadow, a fisherman, ignorant, unlearned, because they believed that Christ was with him, couldn't you believe when He's manifested Himself right here with these ministers and these people? Don't you believe it? [\[Acts 5:15\]](#)

Come, let's lay hands on them and believe. Lord, in Jesus' Name, I pray that You'll heal...?... Amen.

**L-53** If the audience still hears my voice. The woman seems to be going from me. And she's--she's suffering with a nervous condition. That's what she wants me to pray for. And that nervous condition causes a smothering around your heart; you congest, can't breath, you been to the hospital. That's true. If that's true, raise up your hand. Now, what do you believe did that?

Is He the same yesterday, today, and forever? I catch that feeling from somewhere, that you thought I guessed that. I did not guess that.

**L-54** Let me speak to her again. I do not know what I told you, for it wasn't me speaking. I don't know you. But Something was using my lips to speak, told you the truth. If that's right, you be the judge. Raise your hand if that's right, told you the truth. All right. Yes. The woman, it's her... It's a man. It's her husband. He's suffering also. He's here. That's right. If I tell you what's wrong with your husband, will you believe It's the Holy Spirit speaking? He has arthritis. That's right. And you got daughter here also. You believe God can tell me what's wrong with your daughter? She's got a back trouble and weakness. That's right, isn't it. You're both going to be well, and so are you. Go on your road home, Jesus Christ makes you well. The Lord bless you.

**L-55** Do you believe that the Son of God has risen from the dead, and He's here tonight in the form of the Holy Ghost? Now, He's just willing to do for you as He does here. Believe Him. Have faith.

Now the woman standing here is also a stranger. I do not know you. You don't know me, no more than you know me just by reading, or something like that. That's right. Now, if the Holy Spirit will reveal to me what you're here for, will you believe it to be Him? You'll know it'll have... You'll know it will. That's fine. The lady is suffering with a high blood pressure. I see them put that around your arm, and pump

that little thing up. And it said that it was too much even for your age. And your eyes are bad. Another thing, if you pointed your finger toward your eyes then, and it might make a slip for someone... To the couple of people out there that might think that I said that, but I seen that anyhow. Let's stop again and talk a minute.

**L-56** There's something wrong with your throat also. And your throat stops up, and you have to take some kind of drug to open it up. [The sister says, "No"--Ed.] Yes. And then you have a... Another thing, something about your, it's a... swallowing, or something. If You'll believe with all your heart, your high blood pressure, and everything will leave you, and you can go and be made well. Do you believe it? Go and rejoice, and say, "Thank you, Lord Jesus. Amen." All right.

Do you believe with all your heart? We are strangers. You have a... You have a growth too. And that growth is on a female gland, your ovary, says your doctor. That's right. If that's true raise your hand.

Somebody praying out there. I can't see... One vision will break, and then it's just breaking from everywhere. It's your faith that's a doing it. Just like the woman that touched the garment of the Lord Jesus. She pulled from Him. See?

**L-57** I'm trying to confine to speaking to you alone. Whatever He told you, was the truth. That's right. Oh, I see now, an examination. Shows that it was a... pending an operation for a growth on an ovary. May I tell you this, then you know whether I'm telling the truth or not, if you believe me to be His prophet, His servant. You got someone on your heart you're praying for. If you'll believe with all your heart, to... Looked like a man, that has a polioed condition. If you believe with all your heart, and will accept the Lord Jesus, and believe that He will do it, it'll all be settled for you. You can go home and be well. You believe that? Go and be made well in the Name of the Lord Jesus. All right.

Are you going to believe, brother? Come here. Upon the authority of God's Word, the power of this holy church praying, all of us together in the Presence of Jesus Christ, Who's here, you'll have to get well if you'll halfway believe it. Lord, I lay my hands upon the man in commemoration of Thy Word, in Jesus Christ's Name. Amen. Bless you, brother.

**L-64** Come, brother. Lord God, bless our dear brother. And as I lay hands on him, may he never be crippled up with this demon. I pray in Jesus' Name. Amen. God bless you, brother. Come, sister dear. You believing? While... Look at the people praying for you, hundreds and hundreds of prayers going for you right now. The Son of God, the Spirit of the Holy Ghost, right here moving in among us, Lord, I pray that You'll heal her and make her well, in Jesus' Name. Amen.

God, I pray that You'll bless our brother and make him well, in Jesus' Name. Amen.

Come, little lady. You believe if God can tell me what's wrong with you, it'd help you? All right. It's female trouble. So... That's right, isn't it. Just go on, you're healed. Amen. God bless you.

Lord Jesus, I pray that You'll heal this little lady and make her well, in Jesus' Name.

Come, sister. Do you believe that God knows all about you? You believe that... You believe that God could reveal to me what your trouble is? You believe you wouldn't have to have that operation then? The old gall stones and things'd leave you, and you go home and be well? You believe that? You believe that eye would get sight again and you'd be all right? You're supposed to be operated on this week sometime. That's right. Let's see, that's Friday. Don't--don't believe that. Go on, get well. Lord Jesus, I pray that You'll heal our sister and make her well, in Jesus' Name, Amen.

**L-65** How do you do, little sister. Lord, I lay hands upon this child and ask for her healing, in Jesus' Name. Amen. God bless this, our sister, and heal her, Father, in Jesus'

Name of Jesus Christ. Amen. Don't doubt now, sister. If you don't doubt, you can be healed.

**L-62** Come right... Lord, I pray that You'll heal this dear sister and make her well, in the Name of Jesus Christ. Amen.

Come. Lord, I pray that in the Name of Jesus Christ, that You'll heal this, our sister. Amen. God bless you, sister.

Do you believe with all your heart? Do you believe that Jesus Christ, the Son of God is near? O Lord, I pray that in the Name of Jesus Christ, that You'll heal our sister and make her well. Amen.

Just a moment. Something happened in the audience, a different woman from this. The woman setting there with the little white flower on her dress that's got heart trouble, if you believe with all your heart, Jesus Christ makes you well. You can go home and be well. Amen.

Do you believe, lady? Do you believe me to be His servant? If God would reveal to me what you're here for, would you believe me with all your heart? You're suffering with a nervous trouble for one thing. You have kidney trouble for another thing. That's right, isn't it. And you're fixing to go for an operation. That's on your foot; it's a growth in your foot. That's right. If God will tell me what your name is, will you believe me at all, believe it won't have be necessary to do that? All right, Ruth, you go home and get well. Jesus Christ makes you well.

**L-63** Well, you believe that old diabetes would leave you when you get well, uncle? Go on your road and rejoice, and say. "Thank You, Lord." God bless you.

O Lord, bless my brother and heal him in the Name of Jesus Christ.

Come, sister. Lord God, heal this back trouble with her, and make her well in the Name of Jesus Christ. Amen.

Come. You going to believe now it's going to make it well? Lord, I pray that You'll bless and heal...?... in Jesus Christ's Name. Amen.

**L-58** Come forward. Do you believe? Here's something. I saw a vision a few minutes ago of a woman having something wrong with the throat. It's this woman here. She's had an operation for it.

Do you believe that God will hear and answer prayer for you? You do believe it. Margaret, that's your name. You're a lady preacher. Go on your road and rejoice. God's going to make you well. Amen. God bless you, Sister.

I suppose we're strangers to each other. God knows you, you believe that? If God will reveal to me what you're here for, will you accept Him as your your Healer and Saviour? You suffer with something in your blood, a diabetes. That's right. And you have heart trouble. And you are a lady preacher, also. And may you know this, and you'll know whether it's true or not. You got a husband at home suffering with the same thing, that can't hardly move around with the same thing. Believe it with all your heart, and go home and both of you get well in the Name of the Lord Jesus Christ. Go, and may God be with you.

**L-59** If thou canst believe! All things are possible to them that believe. Do you believe that? Do you believe His Presence is here? Jesus said, "If you can believe, all things are possible." [\[Mark 8:23\]](#)

Now, here stands a woman. She's a colored woman. Here's a perfect picture of Saint John 4. You believe God can reveal to me what your trouble is? You do. Well, you're not from this city; you've come from the South coming this a way. And, you're from Long Beach. That's right. You got an enlarged heart. Go home and tell Jess and them it's all right. If thou canst believe. Now, I don't know the woman, that's the Holy Spirit that says those things. [\[John 4:1-28\]](#)

**L-60** You might criticize that woman. But if you'd been healed of something like that, you'd shout too, if you had been. Isn't that something. If you'd believe with all your heart, you'd have another Azusa Street revival. That lady's gone for Long

Beach to spread the news, just as hard as she can.  
I keep feeling it coming that I'm reading the people's mind.  
I'm not.

Come here, lady. I don't know you. Just put your hand on mine for a point of contact. I never seen you in my life. If I look this a way and tell you what your trouble is, will you--you'll know it's the truth or not, won't you. All right. It's a lady's trouble--female trouble. If that's right, raise your hand. It's left you now. Go home and be well. Believe on the Lord Jesus Christ.

**L-61** Now, come here, lady. Out here in the audience, be reverent just a moment. Lay your hand on it. It's a tumor. You're ready for operation. You believe the Lord will make you well? If you do, raise your hand. All right, raise up your hand and believe Him. Go on your road and rejoice then. Be happy. Believe Him with all your heart.

Look this way, lady. That old asthma about kills you sometimes, you can't hardly breathe at night. Go home, believe the Lord Jesus and get well. Believe with all your heart, and you'll be made well.

You have a serious condition, a heart trouble. You believe that Jesus will make you well? Go on rejoicing and say, "Thank You, Lord Jesus," and shall get well.

**L-62** All right. Come, lady. Do you believe that this anemic condition is going to leave you and Jesus Christ will make you well from anemia? Go rejoicing, and be happy. And thank the Lord.

You're shadowed for death, 'cause darkness is around you. Cancer. But will you believe that God will make you well? You accept it? Go home and rejoice, and say, "Thank you, Lord Jesus for making me well."

See, it's your faith that does it. Amen. Have faith. Sure.

You believe that He makes you well now? Just go on your road with... That's the way, and rejoice.

Come. You're fixing for an operation for a tumor. Do you

doesn't look it in her face. A nervous person's usually skinny. You might say. "Brother Branham, you guessed that." All right. Just to take every scruple from you now, let's talk to her again. Be real reverent.

Now, I don't know now what He told you was wrong, but whatever it was is the truth. You're the witness. Yes, I see her shaking trying to hold something, dropping it. It's nervous condition. That's right. A nervous condition. And then you have a... You have complications, just many things is wrong with you. And you--you've got a--a trouble in the inside of you, a--a tumor. And that tumor is in the bowels. Is... That's right, up for a operation.

Now, something's happened, and you now it has. So now you can go home and be well. You can walk off of the platform now and go home.

**L-61** Now, do you believe with all your heart? See, just that poor thing's faith healed her. Now, we thank the Lord for that. All right. Now, do you believe He's here? Now, have faith, don't doubt. Just believe all things being possible now. Get your position, set still, be real quiet, and pray.

You come, sir. Lord Jesus, I bless this, my brother, in prayer, and may he be healed in the Name of Jesus Christ. Amen.

Merciful God, I pray that in Jesus' Name that You'll bless this sister.

Lord God, Creator of heavens and earth, I ask You to bless and heal this, my brother. Just go eat now; it's done left you, your stomach trouble now, the arthritis also, just keep moving. Have faith now, believe with all your heart.

O Lord God, Creator of heavens and earth, bless our sister and heal her, I pray in Jesus' Name. Amen.

Come, sir. Lord, in the Name of Jesus Christ, bless this, our brother, and heal him. Amen.

O Lord, bless our sister and make her well, in the Name of Jesus Christ.

Lord, I pray that You'll bless sister, and make her well, in the

wonder then if that was the words of Brother Branham, or if that was the Words of the Lord Jesus.

Now, but if He will come here, and would reveal to me what's you're here for. We're strangers to each other, I suppose. If that's right, would you just raise up your hand, or can you? All right, we... This is our first meeting time.

**L-59** Now, the audience can see that. I do not know the woman, have never seen her in my life, and this is our first meeting time. Now, if Jesus will do... Here's a man and woman, Saint John 4 again, just to start with. If the Lord Jesus will tell me something about this woman, something that she has done, something that she ought to have done, or something that's wrong with her, something that she knows that I don't know, let her be the judge whether it's truth or not. How many of you will believe that it comes from Jesus Christ according to His promise?

Now here we are both, and here's the Scripture, the Bible, on the sacred desk. We know not each other. And then if He will do that...

Now, usually, I just take one by one, right down... By the time I get to seven or eight, I'm so weak I can't hardly stand here. So that way, why, I will let one, and then go ahead till I get built back up again, and then maybe stop another, and then go ahead, and just keep on. But the same Holy Spirit is here that... He's bound to be here somewhere. He couldn't do that. Is that right? He's got to be. So the people in America rally to put their--to lay hands on them. So that's all right.

**L-60** Now, may the Lord grant it, sister. I'm just going to talk to you like our Lord did the woman at the well. And this is our first time of meeting. We don't know each other. But I pray that God will reveal to me what's your trouble, and--and you be the judge.

The lady is suffering... She's tremendously nervous, right at the near of a breakdown. That's true, isn't it. Now, she

believe God will take it away from you? Go and rejoice. According to your faith, so will be it unto you.

**L-63** Come, lady. You want to go eat your supper now and get over that stomach trouble? Go eat your supper then in the Name of the Lord Jesus and be made well. Your lo... You believe it with all your heart. You shall receive it. [The sister states that her son needs deliverance from alcohol--Ed.] Amen. May the Lord grant it.

All right, Sister. When I said stomach trouble to her, something happened to you. A little cold feeling went through you. You were healed. Go on your road and be made well.

Your back trouble is left you. It did you when you were setting down here awhile ago when I was preaching. Go on your road and be made well in the Name of the Lord Jesus.

**L-64** Nervous heart. But Jesus will heal you. You believe He will make you well? Go on your road and rejoice and be made well.

What do you think about it, young lady? Why, it's for the baby. Do you believe me to be God's prophet, the servant of God? That baby's in a terrible condition. I don't know you; you don't know me. But do you believe God can reveal to me the trouble with that baby? It's just a baby. You believe it, sir? Will you both serve God? with all your hearts? How many will believe if God will make known to that baby? The baby's blind. That's true. I can't see its eyes. Maybe you'd know this. The baby went blind because of some--some disease the mother had before the baby was born, while she's pregnant with the baby. That's right. Measles. Go on your road and rejoice, and believing the baby will receive its sight. If you can believe.

**L-65** Have faith in God. All right, your back trouble is gone. Go on your road and rejoice, and be happy thanking the Lord Jesus. [[Mark 11:24](#)]

Arthritis will never kill you if you'll believe God. Go on your road and rejoice, and say, "Thank You, Lord Jesus for Your goodness."

Come. A female trouble--a lady's trouble. You believe with all your heart? Go on your road and rejoice and be happy, and say "Thank You, Lord Jesus."

Heart trouble. Do you believe that God will heal you of heart trouble? You got other things too, but that's the main thing that's bothering you. Go on your road rejoicing.

Your back was healed while you was standing in line. Go on your road rejoicing, and thank God.

**L-66** Do the rest of you believe with all your heart. He's God. Every one of you's healed right now, if you'll believe it. Do you believe it?

Let us bow our heads just a moment. That same God that heals the sick, saves the soul. If there's a person here in Divine Presence that's convinced that the Holy Spirit is confirming His Word, raise up your hand, say, "I want to accept Him." That's wonderful. Thank you. How many sinners are here that did not believe, and now you do believe, raise up your hand--unbelievers that now believe? That's fine. Dozens and dozens of hands up.

I want to ask you something. Would you walk right here. If God will hear my prayer, and will answer for these people that's afflicted, and so forth, won't He hear for your condition? Come forward just now and stand here just a minute. Let's have prayer together. Will you do it? Come out. Raise right out of your seats. Stand up, all you that desire to be prayed for for these things, like a... it's a... a soul's conditions, spiritual conditions, sinners that what's to be saved, come forward here just a moment. Come up here in the Presence of Almighty God. Not because He isn't back there, but here's His vision.

**L-67** Something stopped me. I was going to call some more of them prayer cards, but Something said, "Call that line to

told the truth of It, or either, I am wrong and a false prophet, or Your Scripture has misled us. Now, Lord, we know that that's not so. We know that Your Scriptures are Truth. But now, we have spoke and read of Your promises. The thing is now, is it so? Are You alive. Are You here? Do you keep Your promise, Lord? Oh, I feel sacrilegious, to even in prayer, make such a statement. Lord, You do keep Your promise, every one of them, truly. It's our unbelief that separates us from Your promises.

Now, I pray, Lord, that if You'll manifest Yourself tonight before the people, I ask that You'll take all the unbelief away from them, and this might be the greatest night of healing that this Temple has witnessed since the days of its founder. Grant it, Lord. I pray this prayer for the glory of God in these last troublesome days, in the Name of Jesus Christ. Amen.  
[\[Mark 16:15-18\]](#)

**L-57** Now, I guess...?... [Brother Branham speaks to a Brother-Ed.] There's many missing out of the line. My son said there was many many missing out of the line. Anybody's got prayer card B-1 to a 100, take your place in the line. You're--you're at liberty to do it. B-1 to a 100. All right, number...

All right. You just stand right there by that microphone, if you will, lady.

**L-58** Now, just before... And I want everyone reverent. And how many out there will pledge they'll be praying for these people? This is somebody's mother, somebody's dad, somebody's daughter, son. And... Get her a chair. Let her set in a chair. The lady's so weak she can't stand up.

Now, being that she is weak and the first person in the line, I'm going to talk to her just a moment. Now, sister, you're... I know you're bound to be sick, or you wouldn't be standing there like that. So I... If I walked over to you and said, "I'm going to put my hands on you. Praise God, you're going to get well." You should believe that, because it's the... it's the... It's the Gospel truth that we have that promise. But you would

L-55 I see they're still trying to get them all in line back there, so I'm waiting just a--a few minutes to see if they still got them lined up.

Now, let's bow our heads just a moment now while we make ready. Set reverent now, waiting, each one now, waiting on the Holy Spirit.

Now, you that's in the prayer line, if you've got any unconfessed sin in your life, just be it known unto you, that God will never heal you as long as you got unconfessed sin in your life.

And that's why I take that line real slow, the old line, for the Holy Spirit would reveal to me. And all you are witness of that, how sin's been called out of people, told them, and this woman here in adultery with this man setting up here. You know how those things has been. And that's the reason I comb the case real close, before I try to pray a prayer of faith for them. 'Cause what if God put--let the devil put that sickness on them to bring them to discipline, and here I come around with a Divine gift with faith and took it off of them? See, I'm in trouble with God, like Moses who smote the rock instead of sp--speaking to it. [[1 John 1:9](#)]

L-56 Now, see what trouble you get into? So now remember, tonight I'm just praying, laying hands on the sick. If Christ will come and manifest Hisself here now. And if I feel down along the line that He wants me to stop with somebody, I'll do that. But otherwise, I'm just going to start praying for the sick and just letting it go at that.

Now, and if you got unconfessed sin, remember, be it known unto you, I'm not responsible. I'm putting it right back in your lap now. If you got unconfessed sin, you walk right out of the line, and make that right with God before you come through this line. And the Lord will bless you for that if you'll be that sincere. But if you're prayed up, all right.

Now, let us all pray. Lord, with our heads bowed, just now, it's got to be known that Your Scripture's the truth, and I've

repentance." How do I know that a preacher isn't walking down the aisle at this time that'll be the one that God will use in these last days. How do I know that right in this building tonight, is not something that God's calling for. Sure He is, or He wouldn't have stopped that prayer line.

Come forward now to accept the Messiah. Accept Him as your Messiah. You Jewish people, get up and come down here. You've always said, "If Jesus could prove that He was resurrected, and would do the sign of the prophet, you would believe Him." Now Jesus is here. This is not me; I'm a--a poor man, uneducated. But the Messiah is here. Hallelujah! Thanks be to God. Come forward.

L-68 Come all you souls of sin oppressed. There's mercy with the Lord. Come now while you're in His Presence. Kneel around the altar here, all you people that wants to give your lives to the Lord Jesus while He's present, while the Holy Ghost is here present now. I don't know what He will do in a few minutes, for Something told me to stop that prayer line and make that call.

L-69 That's right. Come on down out of the balconies, everywhere. Walk down here just now, you that's not right with the Lord, and be reconciled to God. One of these nights, you're going to be called upon by the angel of death. Then this Angel that's here tonight, the Holy Spirit, you're going to call for Him, but He might do the same thing that you probably will do now, just set still. You move now; He will move then. God bless you. (Come right on down this way boys, and help them down in there if you will.) Come right on out of the balconies now if you will.

Billy you got it. Where's Billy?

You got a song...?... Just sing "Just As I Am."

[The pastor says, "All right. Just as I Am, sing it with me while they're coming."--Ed.]

*Just as I am, without one plea,  
But that Thy Blood was shed for me,*

*And that Thou bidd'st me come to Thee,  
O Lamb of God, I come! I come!  
Just as I am, and waiting not,  
To rid (Rid my soul of what?) My soul  
(How many?) of one dark blot,  
To Thee, whose blood can cleanse each spot  
O lamb of God, I come, I come.*

**59-0406 - Angelus Temple, Los Angeles, CA  
(Paragraphs: 39 - 67)**

**L-40** Now, you have faith in God; don't doubt nothing, but believe on the Lord Jesus Christ, each one of you. And you that don't have a prayer card, you look this a way and say, "Lord, I can't get into the prayer line tonight. But if You'll just let me touch Your garment, and let... If that's Your Voice speaking through that man up there, I know he don't know me. And if that be You, Lord, then let him turn around and tell me what my trouble is." And then, see if He isn't the same High Priest. [\[Hebrews 4:15\]](#), [\[Mark 11:22\]](#)

Now, down along the line, we're not playing, or preaching, or talking about visions. Each one of you has to remember this, that the Angel of the Lord, when meeting me at the beginning, it... The vision wasn't to heal people. He said I was born to pray for sick people. "If you can get them to believe you, and be sincere when you pray, nothing will stand before the prayer." How many's read that, heard that. The commission is pray for the people.

**L-41** I never did like that old fast line, you just lay your hands on them, just jump them through like that. I can't see that. That's not praying for the people. Pray for the people.

**L-42** Now, and then if the anointing of the Holy Spirit is here, and then we pray and ask God, then lay hands on you and pray for you as you go by, you believe you'll get well? Are you, all in the prayer line now, you believing that? Raise your

**L-66** Now, if the little lady here, this once here... Being I just made a show out of her standing here. And I was going to speak to her anyhow. If I never said no more to you, you'd believe anyhow, wouldn't you. All right. But being that this other lady, which was a colored woman, Ethiopian, appeared before you, a Spanish woman, and her faith drew it that way, I'll speak to you just a moment, so it'll help the Spanish people. There's been the Anglo-Saxon, now that, and now, you're Spanish. That probably taken the whole church here tonight to believe.

I don't know you. I've never seen you in my life. We're strangers. Is that right? If it is, raise your hand. Now, that's to you Spanish people. That's to you the Ethiopian, and them others is to the Anglo-Saxon, this here, the white people. God is no respect of race or people. No, sir. We're all borned of one blood. If we're white, black, yellow, brown, we could give each other a blood transfusion 'cause we come from one blood. That's right. The countries we live in, changing our colors had nothing to do with our blood and life and our Creator. But that you might see that God doesn't respect people, or the nation, the nationality or colors...

**L-67** You're pending an operation. It's going to be more than an operation. You're with child. Now, reason I said that, because some might think it was a tumor. It isn't. But you're also have to have another operation; that's for a rupture. That's right, isn't it. And you got a baby to be born, and it's got to be a Caesarean. Is that true? Raise your hand. Go, God's going to bless you, and it's going to be all right. God bless our sister.

Do you believe with all your heart now? Now, just be in prayer while we pray for the rest of these people.

**59-0407 - Angelus Temple, Los Angeles, CA  
(Paragraphs: 54 - 66)**

woman setting right out here in front of me at the end of the row, right out here, is praying also. Yes, Ma'am. You believe that that stomach trouble's over, and heart trouble's over? You had heart trouble and stomach trouble. If that's right, wave you hand. You were praying also. You are healed. Do you have a prayer card? You don't have a prayer card. No, sir, you don't need one. Your faith makes you whole.

Now, ask the lady. The lady that was just healed just now. You don't have a prayer card, do you, lady? You do not have a prayer card. No. You was just setting there praying, "Lord, let it be me."

There you are. And there she's healed. What did she touch? The High Priest. Blessed be the Name of the Lord, for people who will believe.

**L-64** Now, let's take this little lady here, then let's let the rest of the people come right on by, 'cause you can feel the effect is getting to be too much now. You see, it just starts moving. The little lady setting there, looking at me with her hands on her face out there in front, suffering with that bronchitis, if she'd believe. You--you have a prayer card, lady? You're not in the prayer line. Stand up if you're not in the prayer line. Stand up. You had bronchitis, didn't you. All right. Go home and believe now. Jesus Christ makes you well. That's right.

**L-65** Touch the hem of His garment. The woman never touched me. None of these people's touched me. What did they touch? They touched the High Priest, Jesus Christ. And He's acting just like He did then, just through channels of His church. His faith is coming into the people. They're looking this a way, then He speaks, use my voice. I couldn't tell you what I said to the people. I don't know. I have no way of knowing, only through the tapes and things. But It's Jesus, the Son of God, proving that His coming is near. It's drawing near now. People must get right with God, break down the walls of partition. Get right, and believe God. Our time's moving fast. [[Hebrews 4:15](#)]

hands if you're willing to accept it now.

Just like little Ricky did. How could that little fellow know anything about vision. His father never even asked for a vision. He never asked a thing. I never told him nothing. I just went and laid hands on Ricky. That's right, isn't it, brother. That's right. And Ricky got well, because Jesus Christ honored the father's faith to send in our prayer, and healed little boy and give him back to him to him alive. Thanks be to God for it. All right.

**L-43** Now, if you will get up there, Billy, and help the people up. Now, if they're too crippled to come up and they got a prayer card, we'll put them down here so I can come to them. Now, I want every one, not to be in any hurry now; we're in the service of the Lord. Now, it makes it so hard, sometimes when I go pray for sick people in auditoriums and things, they... Well, they just now calling me into the platform to speak. And if I let out under twelve o'clock, they think got cheated. But when I get here in California, I understand that you all go home at eight thirty. So just bear a little while.

**L-44** Paul preached this same Gospel all night long, and somebody fell out of an upper story window and killed himself, and Paul laid his body on, he come back to life again. Many of us set up and watch the late show, and we go to dances and parties, and stay all night. "But if the preacher is over twenty minutes, I'll never go back again." See that? Our heart ain't right with God. Our--our soul's feeding on something else besides God. [[Acts 20:7-12](#)]

**L-45** Now, here's a lady to begin with. Now, before I start the prayer line, let's just say this. Now, if you've got sin in your life, down along this prayer line... The reason I've always combed every person close, because anyone knows that you can take a gift and get yourself in trouble with it. We're all aware of that. Moses done exactly what God told him not to do, but he did it anyhow. He... God told him to go down

there, speak to the rock, and he smote the rock. But he got in trouble with God. [\[Numbers 20:7-12\]](#)

I never could believe it was the nature of the Holy Spirit, when them children teasing that young prophet being bald-headed, Elijah, and saying, "Old bald-head, old bald-head, why didn't you go up." And he turned around and cursed those little children in the Name of the Lord, and two she bears killed forty-two little innocent children. Is that right? That don't sound the nature of the Holy Spirit. But it was a angered prophet. See? You have to watch. [\[III Kings 2:23-24\]](#)

**L-46** Therefore, what if God let the devil put a sickness on you to bring you to discipline, and then some gift comes around, and pours some oil on you, and casts that thing away from you. Then he's in trouble with God. See?

So remember, if you've got unconfessed sin in that line, step out, for it'll make you worse than you was when you come. See? Now, I'm putting it right back in your lap tonight. See? It's on you. If you come to the platform without that, because I'm not going to search for visions; I'm going to pray like you all wanted me too. Is that what the church wanted, to pray and lay hands on the sick, that's...? Then later on through the week, if you'll go back to the other type of a line, all right. It's here all the time.

**L-47** On the street... How many knows that... met people on the street, out everywhere in public life and everything, and seen visions take place and heard me say those things, raise your hands all around the building them that would know it. Sure. See? It's not only in the church; it's home, on the street, everywhere.

Go down the street, and the Lord will say, "Don't go that, turn this other corner. A man with a blue suit, standing there crying, go to his house; his wife's near death. Go lay your hands on her."

I'll tell the people in the car, "A man with a blue suit on is going to be down here; his wife's laying in a bed. When you

ministry, Brother David... You get it. See, if you... If these people'd get it, they'd rejoice as much when the hands is laid on them as they would with the vision. The vision has nothing to do with it. Them other people... Why, it's... If I didn't think they was going to catch it, I--I would stop them. See? It's just hard (See?) for you to change around. Well, if... I believe if I seen the Lord, and I was sick and walk across the platform some... and I seen the Presence of the Lord like that, somebody'd pray for me according to the Scriptures, I'd say, "Thank You, Lord. Amen. It's finished." That'd be all. I'd go out of here rejoicing and happy as it could be. Oh, how glorious.

**L-61** Speak English? You believe me to be His servant? If God will reveal to me what your trouble is, will you believe me to be His servant?

That colored lady, setting right back there with high blood pressure looking at me, you believe, sister, that the Lord Jesus will make you well? You--you don't have a prayer card, do you? You--you have a prayer card? No. You don't need it. Your faith made you well. See?

**L-62** See what it was? See, the lady... I seen another lady standing here and this woman's, perhaps, Spanish. And there was a colored lady kept appearing here, larger, bigger, taller woman. And I kept seeing, with that thing over her arm. And I looked around to see where It was, and I thought, "Where is It?" And I seen that Angel of Light standing right over the woman, and I called it. That's what it was. What did she touch? What did she touch? I've never seen the woman in my life. She's setting there without a prayer card to be called in the line. But she was praying. If that's right, lady, wave your hand, the woman was just healed. Wave your hand back there if that's right, setting there praying. That's right. See? You believe. Have faith.

**L-63** Here, that started a chain. Here's another colored

L-57 You believe, lady? You believe that God can tell me what your trouble is? If I would tell you your trouble, would it make you feel better? Just a little time with this woman so your--your people will get satisfied that the Spirit of God is here, doing these things.

L-58 The woman's got trouble in her colon. That's right. You've had an operation, haven't you. If God would tell me who you was, would you believe me. All right, Miss Snyder, you go home and be well, in the Name of the Lord Jesus...?... Amen. If you'll believe it.

Now, have faith in God now. Don't rally for that. See? Just believe that God is here. [\[Mark 11:22\]](#)

Lord, I pray that You'll heal the woman and make her well through Jesus' Name. Grant it, Lord.

Come brother. Oh, Lord, I pray that You'll heal him and make him well in the Name of Jesus Christ. Amen.

L-59 How do you do? I lay hands upon this, my sister, in the Name of Jesus Christ, for her healing. Amen.

[A brother offers Brother Branham a glass of water--Ed.] That's all right, brother.

Dear God, I pray for our brother, that You'll give to him the desire of his heart, make him well in Jesus' Name. Amen.

Would you come, sister. Lord. I pray that You'll heal our sister and make her well in the Name of Jesus Christ.

Come right ahead, sister. Have faith now. Everybody be in prayer. Lord, I pray for our sister, that You make her well in Jesus' Name. Amen.

L-60 Come now, believing. Lord, I pray that You'll heal our sister and make her well in the Name of Jesus. Amen.

You believe that God will heal her? Lord, I lay hands upon her and ask for her healing in the Name of Jesus Christ. Amen.

God bless our brother and make him well in Jesus' Name. Amen.

Do you believe? See, you get it, friends. Now, you see why my

go in that house, there's a certain picture hanging there. It's perfect every time. See? It just happens anywhere.

L-48 Now, so that you'll see that the Holy Spirit is here, this woman is stranger to me. Is that right, lady? We do not know each other. But God does know us both. Now, I just want your attention for a moment. If the Holy Spirit will reveal to me what you're standing here for, will you believe it is God? You will.

How many in the audience will believe it? And the rest of you, you won't even require a--asking a vision, you just believe it anyhow. Now, just have faith.

L-49 Now, the lady, I... she's... We were probably born years apart, miles apart, and I--I never seen her before, and I guess this is our first time meeting, and that's just all there is. We're just standing her. But the Lord Jesus would say to you something. I don't know what He would say, but something that you know that I know nothing about, something that you have done, or something that you're planning on doing, or some sickness, or some trouble that you have. If He would reveal that, you'd know it would have to come through some power.

Would you be like the modern church of Jesus' time, say it was Beelzebub, or would you be like the woman at the well, said, "I perceive that Thou art a prophet. We know when the Messiah cometh, He will tell us these things." Would you believe it would be the Lord, because it's His promise? [\[John 4:16-25\]](#), [\[Matthew 12:22-32\]](#), [\[Mark 3:22-29\]](#), [\[Luke 11:14-23\]](#)

L-50 The woman seems to be a Christian, because her spirit feels welcome. If the audience can still hear my voice, between the woman and I comes a--the Light. There's going to be a vision. The woman is pending an operation. That is true. You believe God can tell me what kind of an operation that would be? It's a gall stone operation. That is true. That's right. And you're happy-- was happy about something when

you walked up here. You was happy, because you'd been called in the prayer line tonight. That's right. For you prayed this afternoon 'fore coming that this would be your night, you'd be called. Is that right?

Now, you know I wasn't in the room with you. And let me tell you the reason. This is the last night you can be here. You couldn't have come back. That's right. Would it embarrass you if I told the audience why? On account of bus fare. That's right. You won't have to come back. Jesus Christ makes you well. Now, go home. And the Lord God grant to our sister this request. God bless you, sister.

**L-51** Do you believe the Lord Jesus Christ, the Son of God? Now, just be reverent and we'll pray. I don't want to know your trouble. I just want you to come so I can pray for you. Dear Lord, heal our sister and make her well of whatever is wrong. In the Presence of the Holy Ghost, I lay hands on her in the Name of Jesus. Amen. Now, go rejoicing, thanking the Lord.

**L-52** My brother, do you believe the Lord will heal you? Isn't that wonderful? Not a scowl of a vision at all. See, it's all passed away now; it's gone. How many knows I couldn't do that before, raise your hands. You been in my meetings, certainly not. Not a sign of a vision. See?

I pray that God heals this, my brother, as I lay hands on him, knowing that he's standing in the Presence of God, not his brother, but in the Presence of God. I ask his healing in Jesus' Name. Amen. God bless bless you, brother.

**L-53** Dear God, I lay hands upon my brother and pray that You'll heal his body and make him well, in the Name of Jesus Christ. Amen. God bless you. Now, you go rejoicing.

Everybody, when you leave here, if you're--if you're healed, act like you're healed. If you believe it, act like you are. Go, and saying, "Thank You, Lord, it's a finished work, it's done." Well, you say, "That was just that one--that one person was

all it was, that..." It isn't. All right.

**L-54** Here, is this the--is this the lady? All right, lady. You and I are strangers, are we? All right. You've seen me before, but I don't know you, have no idea who you are, what you are, or what you're doing here. That's right. Is that right? You believe that Jesus Christ can tell me your trouble? The first thing I want to say, that you have been healed before. That's right. You're a lady minister. And you're suffering now with a weakness, nervous, female trouble and complications. If that's right, raise your hand? As you were healed the last time, so are you healed now. Pass off of the platform and be made well in the Name of the Lord Jesus.

**L-55** Come sister. Lord God, Our Heavenly Father, I pray that You'll bless this dear soul and heal her as I lay my unworthy hands upon her in the Name of Thy holy Son, Jesus. Amen. Go believing just like the dad did for little Ricky, and will be made well.

Do you believe? Do you believe me to be His servant? You believe that God could reveal to me your trouble? It's nervousness. You believe that He will heal you with all your heart? All right, sir, then you can return back to Oregon and be well, to your home. That's right. Go on your road rejoicing. God bless you.

**L-56** Heavenly Father, I pray that You'll bless this dear woman and make her well through Jesus' Name. Amen.

Dear God, I pray for this young woman, that You'll heal her in Jesus' Name. Amen.

God bless our brother, and as I lay my hands on him, I ask for his healing in the Name of the Lord Jesus. Amen.

You believing out there? Everybody in favor with God now, having favor, believing; don't doubt, but believe with all your heart. Now, just keep your seats, be reverent. How many out there now doesn't have any prayer card, wants God to you, raise your hand? That's it. Just keep praying.
