L-260 Now, I believe we're just a little late. We been calling prayer cards each night, up to the altar. I believe we'll just call the ones that hasn't got prayer cards tonight, so you'll see that the prayer card has nothing to do in it. How many in here is sick and doesn't have a prayer card? Raise up your hand. All right. There's not a person here, that I see, that I know. I can't call one person, only these little singers setting here in the front.

L-261 If I said God is in His universe, God is in His people. You believe God is in His people? [Congregation says, "Amen."--Ed.]

L-262 Now, each one of you, you look this way. As Peter and John said, passed through the gate called Beautiful, said, "Look on us." That means, "To pay attention. Listen to what I'm going to say." He said, "Silver and gold have I none. But such as I have, as faith; such as I have, give I thee. In the Name of Jesus Christ, rise up." Reached and got a hold, the man, begin to hold him up, till his ankle bones got strong. Then he walked away, rejoicing. [\[Acts 3:4-6\]](#)

L-263 As you already know, I'm not educated. I'm not. I couldn't call myself a preacher. I'm kind of a spare tire. But God gave me a gift, as a gift to manifest Jesus Christ, to make the people to see that He still lives. Now, if...

L-264 He's not dead. If He's dead, then our--our religion is in vain. But I've seen hundreds of religions, as a missionary around the world, facing all kinds of devils, witch doctors, and everything. But our religion is true. Our God lives. He's not dead. He's alive. And He promised, "The works that I do shall you also." [\[John 14:12\]](#)

L-265 I tell you, that, any man that has confessed his sins, and under the Blood of Jesus Christ, he is a son of God, if he's born of the Spirit of God. They are sons and daughters of God.

L-266 Now, what if Jesus was standing here tonight, wearing this suit that He gave me through my good friend, Carl Williams? What if--if He was standing here and had this suit on, and you'd walk to Him, say, "Lord Jesus, will You heal me?" Why, He couldn't do it. He's already done it; by His stripes we were healed. You'd say, "Forgive me." He did that at Calvary. The work was finished, of the whole plan of salvation. Healing and all was finished. [\[Isaiah 53:5\]](#)

L-267 The Bible said, that, "He ascended on High, sets at the right hand of God." Do you believe that? He's there to make intercession, and He is our High Priest that can be touched by the feeling of our infirmity. You believe that? [Congregation says, "Amen."--Ed.] "Our only Intercessor between God and men is Jesus Christ." That's according to the Bible. You might have others try it. But there's only One that God hears, and that's Jesus Christ. That's right. Notice, as He sets there, a High Priest, the same yesterday, today, and forever. [\[Luke 22:69\]](#), [\[Hebrews 4:15\]](#)

L-268 Now, if He was walking here tonight, and you had faith to believe that He could heal you, just like that little woman that believed that God was in His Son! Now, you believe God is in His Word. You believe God is in His people.

L-269 Jesus raised from the dead, went back to the Holy Spirit, and returned back again, living in His people, to do the same works that He did. And the hour has approached for this to be fulfilled, 'cause the ending of the Gentile dispensation is at hand. He did it at the end of the Jewish, the end of the Samaritan, and now at the end of the Gentile, just as He did then. Promised to do it, according to the

Scripture.

Now, each one of you out there, that's sick and needy...

L-270 And the Heavenly Father knows I tell the truth. If there's any person I can see in this building, that I know, right at this time, looking this way, is these little boys setting right here, and little girl, that sang, is only one that I see, that I know.

L-271 How many of you out there knows that I don't know nothing about you, you're strangers? Raise up your hand. See? Everybody. I don't care where you're at, in the back, wherever it is.

L-272 Now, if Jesus Christ is the same yesterday, today, and forever, and He's a High Priest, and we become a receiving post to Him. The works that He did, we're to do also. I know you can hear a psychological sermon. We can talk about what He was, and, why, that's all right. But will it work? We can say He's the same, but will it work? Like somebody trying to sell something; it looks good, but let's see it work. [\[Hebrews 13:8\]](#)

L-273 Now, our religion must become in action. Christian religion is an action. It's Jesus Christ Himself, in action, that can.

L-274 Just like this here microphone, that microphone is a complete mute until something speaks into it. And then it transmits the voice of what speaks in it. But, in itself, it's a mute.

L-275 And so is any man or woman. You're a mute when it comes to these things, but if you're in contact, and Christ has pulled you around to use you, you are not. It's not your voice. It's His.

L-276 That's the reason I'll take anybody to record, of the tens of thousands times thousands of times, did you ever see it wrong? It never will be, because it's God.

L-277 Now, you've got to believe it. You've got to accept it. You must have faith, and don't doubt it.

L-278 Now, to you out there in the audience, I want you to bow your heads for a few minutes, and I want you to pray like that little woman did. "Lord, I'm sick." Or, "I've got a sick friend." Or, "I'm desperate, in need. I have domestic trouble," or most anything that you have need of.

L-279 Say, "Lord Jesus, I know that man don't know me. He's a total stranger to me. But, You know me. And I want You, Heavenly Father, to help me. I want You to--to heal me. And I'm going to touch Your garment. I'm so far away from him, wouldn't do no good to touch him, anyhow; he's just a man. But I'm going to touch You. And he has told that we're living in the last days, and the last sign has struck the church; according to the Scriptures, as You come to Abraham, the elect that was called out of Sodom. Now, Father God, let it be, tonight. Just let it be, Father, that when... Let the man tell me, speak to me like He did the woman that touched His garment, and I'll believe You with all my heart." Now let the music get real quiet, if you would, sir.

L-280 Now pray. Now, everybody that's sick, don't no one move. And don't--don't...

L-281 Someone just took a picture. Don't take no more. See, the Holy Spirit is a Light. I watch It.

L-282 Now you see where I stand? Here's a--a sponsoring group of ministers behind me. There's around a thousand people setting in front of me. When, I seen the time when half a million setting there. I do not know one person.

L-283 And you, tonight, with no prayer cards, I want you to just pray and say, "Lord Jesus, let this be taken away, all superstition, from me. He said God was in His people. He said that God had sent him to declare Jesus Christ in the last days, to the Church. I'm sick. And if I can just touch Your garment, tonight! They, they tell me the Bible speaks and says, 'You're a High Priest that can be touched by the feeling of our infirmities.' And the Bible said, 'You're the same yesterday, today, and forever.' Then, You'd act today like You did yesterday. And that woman touched You, and set down in the audience, and You turned around and told her what her trouble was, and said her faith had made her well." [\[Hebrews](#)

[4:15](#), [\[Hebrews 13:8\]](#)

L-284 Now pray sincerely, and may the Lord God grant the request, is my prayer. Now just be real reverent. Pray just a moment. If you're a sinner, say, "Forgive me, Lord." If you're sick, and a sinner, say, "Forgive me, Lord." If you're a Christian, you have a right to the Tree of Life.

L-285 Now, if you feel like that you've prayed, and you have something, that, now you just keep your mind on Christ. You can raise your head if you wish to, and just keep your mind on Christ, and watch this way. Look this way, towards me.

L-286 And now just believe with all your heart, say, "Lord Jesus, the best that I know how, I've prayed the prayer of faith. And I have no prayer card. I'll not be called in the prayer line. Or, if he calls the prayer line, after while, I'll not be there. I have no prayer card. But I--I have faith, God. Help me."

L-287 Now you do that. And then if Jesus Christ will come down and anoint us, your faith to believe it, my eyes to see it, and my lips to speak it! And if He does the same thing He did yesterday when He was here on earth, and promised to do it again, then God is in His people. Then you say, "Show us the Father, and it'll satisfy us." [\[John 14:8\]](#)

L-288 Just pray. Now, it's not my faith. It's yours. I'm just waiting for Him to speak to me. If He doesn't speak, then I'll call the prayer line. That's all I can do. Now, I--I'm helpless without Him. But I'm sure He's here. Exactly. If I could just see somebody that has faith! Don't, don't be nervous. You never get anything, being nervous by it. Just reverently, before God, just present your needs.

L-289 What a moment! What a moment! See? God, the Word, is the Truth, and the Word is going to be found. Either I'm a false witness of the Word, or, if I've told the Truth, God will vindicate that Word is the Truth. That's right. God will have nothing to do with a lie. You know that.

L-290 Here It is. Thank You, Lord. In the Name of Jesus Christ, I take every spirit in here, under my control, for the glory of God.

L-291 Believe now, reverently, and believe. That Angel that you see in the picture, is here at the platform. It goes into the audience. Just a moment. Left...

L-292 Here It is. Can you see That? It's a little lady setting right out here, on next to the end of the row. See that Light, amber, right by the side of the lady? She is soon to be a mother. Isn't that right? You have a prayer card? You don't. You don't need one. But you were believing. You believe me to be His prophet, His servant? If the Lord Jesus Christ will reveal to me the things that's in your heart, and what you're here for, will you accept it?

L-293 You're nervous, of course, fixing to be a mother, but your trouble is in your back. You're having trouble in your back, and that's really what you was asking God to heal you of. Isn't that right? If that's right, raise up your hand. Now, if those things are true, what has been said is the truth, I want you to stand up so the people know it is the truth. Are we total strangers to one another? If that's right, raise up your hand. Is what He said is the truth? If that's right, wave your hand like this.

L-294 Now, there is a woman that touched His garment. She couldn't touch me. She's thirty or forty feet from me. But she touched His garment. And ask her. She's been praying that God would heal her back and give her deliverance of that baby. That's right. Is that right? And did it before you come here to the church tonight, and prayed that some way you'd be admitted to the prayer line. If that's right, if that's your prayer, raise your hand. How can I stand here and tell her what she said before she left home? You believe God can tell me what your name is? Mrs. Cisco. Believe with all... That's right. That's right. Raise up your hand. Now go home. You're well. God bless you and the child, and your husband setting there.

L-295 Before God, I never seen the woman in my life before. Is Jesus Christ the same yesterday, today,

and forever? [Congregation says, "Amen."--Ed.]

L-296 Here, the little, Spanish-looking woman setting there. She was all thrilled about it. She realizes something is going on. She is crying because that Light's right over her. I don't know her. I've never seen her. But she had something on her heart, she was praying about. It's about her mother. That's right. Have you a prayer card? You don't need one. You don't have any. You don't need one.

L-297 Your mother, she is very sick. She's not here. She's in Bakersfield. That's right. You're a minister's wife. That's your husband setting by you. He's got a brother. He calls him "Joe." That is right. Now, if that's the truth, raise up your hand. I never seen the people in my life. If that's true, you two stand on your feet. If that's true, and I'm a perfect stranger to you, raise up your... You have your request. Go home. Jesus Christ hears you. Praise be to God!

L-298 That woman setting right behind, with that pink-looking blouse on, have you got a prayer card, lady? I'm a stranger to you. I don't know you. Is that right? But there's a black, dark-looking circle, circling the lady. What does it mean? May the Lord God tell me. Yes, I see her fall. She is having some kind of a spell. She has epilepsy. That's right. If that's right, raise up your hand. Do you believe Jesus Christ can heal you? Then accept your healing. May you never have another one, in the Name of Jesus Christ.

L-299 Do you believe with all your heart? [Congregation says, "Amen."--Ed.] Have faith in God. Do you believe? ["Amen."] Notice. Here He is again. Notice. It's over a little woman, a little, thin-looking woman, setting right down here. She is suffering with a--a--a anemia condition. She's going to miss it.

L-300 Lord God, help me. Please, I pray, Father, don't let it pass her.

L-301 Her name is Mrs. Marsh. Stand up, Mrs. Marsh, and be made well, in the Name of Jesus Christ.

L-302 Satan thought he'd get by with that, but he missed it. I don't know the woman. I've never seen her in my life. God in Heaven knows.

L-303 What is it? God in His universe, God in His Word, God in His Son, God in His people. "Jesus Christ the same yesterday, today, and forever." Do you believe it, with all your heart? [Congregation says, "Amen."--Ed.] How many believes it? Raise your hands.

L-304 How many needs God in your life? Raise your hands and wave your hands.

L-305 Now take them waving hands, and lay them over on one another, and I'll pray for you from here. You pray for somebody. Put your hands on one another and you'll see the glory of God. I don't care how crippled you are. If there's anybody here in a wheelchair, anybody on crutches, anybody that can't walk, get ready, you're going to walk. You're going to walk out, if you believe it. Put your hands on one another, and pray for one another. Jesus Christ, the Son of God, is here, God in His people. Jesus said, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." [\[Mark 16:17-18\]](#)

L-306 Heavenly Father, I come to ask pardoning grace and prayer for these people, while we know that Your Presence is here. I ask that every devil power be broken, in the audience, and that Jesus Christ will take over the meeting at this time, and will heal every sick person that's in Divine Presence. Through Jesus Christ's Name I ask it.

L-307 I believe. I don't care what's wrong with you, what has been wrong. I'm going to pronounce you "healed." If you believe it, with all your heart, let your crutches lay where they are. Where your... Whatever is wrong, stand up on your feet and witness to God that you accept your healing at this time. Stand to your feet. And believe with all your heart that Jesus Christ... There you are. That's it. The whole group is standing, one hundred percent. Jesus Christ has healed every person in Divine Presence, that has believed.

L-308 Now, if you don't know Him as your Saviour, come up here now and receive Him while His Presence is here. Will you walk up here now and receive Him? Raise up your hands to God and give thanks and praise, while I ask one of the pastors if he'll take the service.
Come here. God bless you, brother.

63-0607 - Ramada Inn, Tucson, AZ (Paragraphs: 270 - 365)

L-271 Now, how many in here does not have prayer cards? Let's see your hands. All right. Now be reverent. Watch this way. Pray. Now, remember, this is our last meeting. Now let's be real reverent. Watch this way.

L-272 Now, while they're making that prayer line ready over there, let's say this. Let's go back a few years. Let's see the Lord Jesus one time, after He crossed the sea. He landed at the shore on the morning, out of the boat, and He was going up into the country. And a little woman who had a blood issue, she had no prayer card.

L-273 Say, I believe we're... Somebody has turned the lights out. Is that for a certain purpose, or what? Or is it automatically going off? Did they... Is that for us to leave? [A brother says, "No. Something happened over here."--Ed.] Oh, some, some... Oh, they're coming back. Somebody made a mistake, outside, and turned the switch. All right.

L-274 Notice now our Lord Jesus. Now, how many understands this? We're not trying to say that we're the Lord Jesus. Anybody understands that. All right. We are your brothers. See? We are His servants. But, it's just a gift, to submit yourself.

L-275 Now watch this. Here is men that are--are--are--are theologians, trained men in the Word. Now, brethren, when you all start to preach a message, if you just try to make it up, yourself, it doesn't do any good. Does it? But when you get inspired, you--you, It just some way just coming down. You don't know what you're going to say. Is that right? [The ministers say, "Amen."--Ed.] That's preaching by inspiration, you see. That's the Holy Spirit. Now, I, I'm not eloquent enough to do that, in that manner. See?

L-276 But, now, what mine is, is just a gift, to know just how to, like, pull a lever, and just get yourself out of the way. And it's just a complete surrender. I can't explain it. No man can explain God. I can't tell you how, what happens, and what goes on. I just know it's a little gift. And I just have a way of just getting myself out of the way. And then, all at once, I begin to feel something strange, sweet, humble. And, look, I see that Light circling around. Then I know it's all right. That's the reason I wait. And then when someone goes to talking...

L-277 That's the reason I have someone up here, more like a decoy, see, to get one person singled out, so I can talk to them. And then when the Holy Spirit begins to move upon this person, then it begins to catch the audience. And then the audience begins to--to wonder, then they begin to get faith. Then, whoever has faith, then you just begin to feel it here, there, everywhere then. See? Then just... There is, it just proves it.

L-278 Now, remember, it's a very hard, wrecking thing. Jesus would preached all day; it didn't bother Him. But when that little woman touched His garment, and went out and set down, it took virtue out of Him. Is that right? Well, anyone knows virtue is strength. Well, if it would do that to the virgin-born Son of God, what will it do to us as sinners saved by His grace? See? See?

L-279 Preach, you can do that all night, wouldn't bother you. But just let one vision happen, see, it's something, and it's in another world. You see people maybe when they were little bitty children, or something. And you have to talk fast; because, you know you're standing here, but yet you're somewhere else, way back somewhere else, talking. And then when you come out of it, you don't know

what you said till you listen to it on the tape. See? And it isn't human. It isn't a person. That's all. It's God. It's always right. And He promised that. See? "Perceiving their thoughts," the Bible said that's what He did. Call it whatever you want to, but the Bible said, "Jesus perceived their thoughts."

L-280 Now, I want you to believe. Now, first, I want you to see that, see, now, like healing. We know the Holy Spirit is here. And I believe in laying on hands.

L-281 Somebody, oh, jumped on me, kind of rough, about that, this morning. Said, "There is no such a thing as people laying hands on one another. It shouldn't be done."

L-282 I said, "You just haven't read the Bible, brother. That's all." I said, "The last commission, that fell from the lips of Jesus Christ, was, 'Lay hands on the sick, and they shall recover,' the last Words He said, when He left the earth. [\[Mark 16:18\]](#)

L-283 His first commission, He give His disciples, was, "Heal the sick, cleanse the lepers, raise the dead, cast out devils," the first group He set out, Matthew 10.

L-284 And the last group He set out, "These signs shall follow them, believe. They'll cast out devils; speak with new tongues; take up serpents; drink deadly things. If they lay their hands on the sick, they shall recover." That's the last Words He said, and was received up into Glory. Certainly. That's the great commission. What it does, I don't know. It's just carrying out what He said do. [\[Mark 16:17-18\]](#)

L-285 But here, all, I guess, ninety percent of you, are believers, or more. You are believers, and you have just as much right to lay hands on sick as I do, or your pastors does, everybody. "Lay hands," the believers, "these signs shall follow." Not "the ministers," but everybody that believes. You have a right, everybody.

L-286 As I said, there's no great men, and holy men. There is not. We're not, any of us, holy. We got a Holy Spirit in us, but we're not holy. It's, He is the One is holy. See? It's His holiness; not mine, not yours. His!

L-287 But, here, let's just close your minds to everything now, for the next fifteen minutes. And now, these men are setting here, looking around.

L-288 Here is a woman standing before me. I never seen her in my life. As far... Are we strangers to one another, lady? You heard her, what she said? She had been in my meetings, several time, but she never even had the opportunity to say, "How do you do?" to me. See? Therefore, I don't know the woman. She is standing there. She is here for some cause. Now, let's just--just think now. Take Saint John, the 4th chapter, when Jesus met a woman.

L-289 Now, remember, He said, "The works that I do shall you do also." [\[John 14:12\]](#)

L-290 Now, here is a woman and a man, meeting for the first time in life. Now, that's true. Here we are. Here is God's Bible. There stands a woman. Here I stand. I've never know, ever seen the woman in my life, I know. That's all I know, is, she is standing there. Today she was out here somewhere, and somebody give her a prayer card, and her number was called, and here she stands. That's all.

L-291 There's many out there. Last night we just took those who didn't have prayer cards. How many was here to see that? See, the prayer card don't have nothing to do with it. See? It's your faith that has to do with it.

L-292 Now, you say, "Brother Branham, can you heal the sick?" There's not a man on earth can heal the sick. They're already healed. You just got to make them see it, believe it.

L-293 Now, if Jesus Christ will come on the scene and work through that woman and me! Now, if it works through me and not her, it won't work. It's got to be both of us, together. See?

L-294 It's like you. If you got faith, you believe it, then, see, it'll work between us. See? It's your faith and my faith. I believed it. If you'll just believe it with me, then we'll see the Words and promises of Christ

fulfilled.

L-295 Now, if anybody believes it's wrong, and you believe you can do the same thing, I invite you to the platform. See? So, then, don't say nothing about it.

L-296 Now, come here, lady, just stand here. Now, I want to bring you out, because there's quite a bit of faith. And I just want to talk to you a moment, like our Lord talked to that woman. Now, not knowing you, never seen you in my life, and you're a total stranger to me. Now, if the Lord Jesus will just do something here, like He did when He was in the Bible, the Bible day, would it make us feel happy, and--and we could go home?

L-297 Like those who, one day, He was on... After His death, burial, and resurrection, He was on... Some disciples was on the road to Emmaus. You remember it, brother? On the road to Emmaus, and--and they met the Lord Jesus and talked with Him, all day long, and they didn't know Him. But when He got them inside, that night, and closed the doors, He did something just exactly like He done before His crucifixion, and they knowed that was Him. How many remembers the story? Sure. They knew it was, 'cause nobody else did it that way. And their eyes were opened, and He vanished away from them.

L-298 Now, He's alive tonight. Now, if He is alive, then He will do the same today like He did before His crucifixion, proves that He's resurrected. Is that right?

L-299 Now, He don't have no hands tonight but my hands and your hands. He has eyes in mine and yours. That's what He's using. He is the Vine. We are the branches. Is that right brethren? [The ministers say, "Amen."--Ed.] And the Vine doesn't bear fruit. The branch bears fruit, energized by the Vine. Is that right? And if that first branch that come out of that Pentecostal Vine, wrote a book of Acts, if that tree ever puts forth another branch, it'll write another book of Acts. Cause, it--it won't put forth a pumpkin, and then a watermelon, and then a pomegranate. It'll put forth the same fruit, every time, 'cause It's the same Life going through the Vine. Now do you understand? ["Amen."] [\[John 15:5\]](#)

L-300 Now, in the Name of Jesus Christ, of this Bible, I take every spirit in here under my control, to the honor and glory of God.

L-301 Now, if you're a critic, don't stay any longer. It's your time to go, 'cause, remember, evil spirits goes from one to another. And many here, that's been in the meetings, knows what's happened. If you are... Just set still. If you're not; if anything happens, I'll be responsible.

L-302 Now, lady, now something has happened. It's His Presence. Now, if the Lord Jesus will reveal to me something that you've done, something that you want to do, something you have or haven't done, or ought to do, or something about you, you'll know.

L-303 Just like He said to Simon, He said, "Your name is Simon. You're the son of Jonas." He told him his name. He believed it. The woman, He told her, "You have a--a blood issue." It stopped. And He had the... or like the... Well, something that He'd tell to somebody, that something was wrong with them, like, the woman had five husbands. [\[John 21:15-17\]](#)

L-304 Something another, just something like that, you know it would be Jesus Christ. Do you believe it? [The sister says, "Amen."--Ed.] It'd have to come from supernatural power. ["Sure. I know it."] You, you know that. ["I know that."] All right.

L-305 Now, now, if anyone can see, the Light is standing between me and the woman. She is just as conscious of it. [The sister says, "Thank You, Jesus."--Ed.] I don't know the woman. But you just ask her this. Listen to this. Just now, something like a real sweet feeling come. If that's right, raise up. See? It's just right around her. Can't you see That? It's another dimension. See? I'm looking right at It. Now, as I watch you, you are a believer. And you're--you're suffering. Yeah. One of your great troubles, is, that, you, you're real nervous. ["Yes."] And through this nervousness, has caused you to have a--a high blood pressure. ["Yes."] That's exactly right. ["Thank You, Jesus."] See? Yeah.

L-306 You believe now? [Congregation says, "Amen."--Ed.] Now, just to see now, that it just--just not... See, I can just take that one woman and stand here, just keep on talking about it. But, see, there's others waiting in the line. See? Others has got to come. So, you see, it won't all be on one person. You got to have someone else.

L-307 But, now, would--would you like to see if the Holy Spirit would tell her something else? Would you like? Just raise your hands and say, "It would help me much." [Congregation says, "Amen."--Ed.]

L-308 Would help you? All right. Let's see. I don't know what He told you. Only thing I know, it'll be on the tape. Now, just a moment.

L-309 You just look to me and believe. Just like Peter and John said, "Look on us," that, other words, "give us your attention." See? "And as He perceived they had faith." And I perceive that you have faith. [\[Acts 3:4\]](#)

L-310 And now, yes, I see it's something around your arm. Oh, it's the high blood pressure. A doctor put something around your arm. That's right. Yes, sir. That's right. Uh-huh. And said, "You have high blood pressure." And there is something else. Oh, I see them. They're going to get something ready, to make... Oh, it's an operation. [The sister says, "Yes."--Ed.] You're fixing for an operation. ["That's right."] And that's on a female trouble. And that's to be in the next couple days from now. That's right. ["This next week."] That's right.

L-311 Now, see what I mean? See? Just keep telling her, keep talking to her, more goes on. You see what I mean? [Congregation says, "Amen."--Ed.] See?

L-312 Now, it's not me. Ask the woman whether it's right or not. Question her, anybody that knows her. See?

L-313 Look this way again. You believe God can tell me who you are? [The sister says, "Yes."--Ed.] Would it help you? ["I know He can."] Mrs. Dorns, you can go home now and believe with all your heart. Yeah. See?

L-314 You believe Jesus Christ now? [Congregation says, "Amen."--Ed.] Perhaps we just raise up our hands and worship Him then. He is God.

L-315 Heavenly Father, we thank You for this. We pray now, that You'll let the people see, that we can have a testimony, that, the same Jesus. We can testify in the morning, that, we seen Him. He was here with us tonight, in the form of the Holy Spirit. We love You, Lord Jesus. Make all the people to see and believe. We pray, Lord, in Jesus' Name. Amen.

Now, just be honorable, reverent, and respect.

L-316 Now, now, this lady standing here. Now, are we... We know... don't know each other, I suppose, do we, lady, the lady standing before me? You don't. You don't know me. I don't know you. [The sister says, "Yes, sir."--Ed.] But never saw me in her life. All right. Now, are...

L-317 Do you still believe, everybody? [Congregation says, "Amen."--Ed.] Just be reverent. Just be real reverent. "If thou canst believe, all things are possible." Amen. [\[Mark 9:23\]](#)

L-318 I seen something happen. I'm just going to wait a minute. All right. Now look this way, just a minute, sister, you standing here on the platform. If I don't know you, but God does know you, if He will let me know something about you, that--that you know. If I know nothing about you, you're just a stranger to me. But if He will reveal something to me, that you know whether it's right or not, you can testify to that, if it's right or wrong.

L-319 But, you are, one of your main troubles, and your main trouble is, that's, a nervous condition. You're bothered, which has given you a stomach trouble. You have a stomach trouble and a nervous condition. And the nervous condition gives you the stomach trouble, which causes sourness in--in the

bottom of the stomach. It's a peptic ulcer right in the bottom of the stomach. Grease and things makes you belch up stuff. And then I see you turn away from many foods at the table. That's exact.

L-320 And you've had a great shock that's just come to you. You've had a sorrow. It's a death. It's your husband, that just went on. It's made you nervous. That is right. Isn't it? [The sister says, "Yes."--Ed.] I believe you'll be all right now. Go, eat your supper. Jesus Christ has healed you.

L-321 You believe? [Congregation says, "Amen."--Ed.] Just have faith in God. That's all. See?

L-322 Now, this lady here, would you look this way just a moment? We're strangers to each other. We don't know each other, but Jesus Christ knows us both. Well, now, if the Lord Jesus will reveal something like He has, say to the woman, "You have five husbands," and you're--you're... or, "You have a tumor, ulcer, cancer; you got domestic troubles," or whatever it is, you know it'd have to come from God, wouldn't you? [The sister says, "Yes."--Ed.] See, He just told that woman one thing, and the whole city repented.

L-323 And here He is, doing more now, for He said, "The works that I do shall you do also, and more than this shall you do." I know the King James says "greater," but the Emphatic Diaglott says "more." Couldn't do any greater; He stopped nature, raised the dead. You could just do more of it, see, quantity instead of quality. [[John 14:12](#)]

L-324 You are suffering, also, with a nervous condition. You have a lady's trouble, which is female disorder. You also have a stomach trouble that's bothering you. That's right. You believe He can heal you? You believe He will? Got somebody on your heart, haven't you? Your husband. He isn't here. You believe I can tell you what. If Jesus will reveal what's wrong with your husband, will you believe me to be His prophet, or His servant? He's real nervous, and it's caused him to have a prostate trouble. That's right. Isn't it? Have faith. Don't doubt. Just believe, with all your heart.

L-325 Here, just a minute. Something is going on. Yes. Here it is. It's your mother. [The sister says, "Yes."--Ed.] That's her, setting right back there, on the end of the seat. She has Parkinson's disease. And you're praying for her. Isn't that right? Mrs. Harris, that's your name. You believe with all your heart, and go back. Lay your hands on your husband, your mother, and get well, in the Name of the Lord Jesus Christ.

L-326 Have faith in God. Do you believe God? [Congregation says, "Amen."--Ed.] Now, I think we just ought to worship Him. Don't you think so? ["Amen."] Let's just praise Him, say, "Thank You, dear Lord."

L-327 Heavenly Father, how we thank You, praise You! Blessed be the holy Name of the Lord Jesus Christ. We give You glory, honor, thanksgiving, and praise, and might, in Jesus' Name. Amen.

L-328 Have faith. Don't doubt. Just believe what God has said is the Truth. That's all you have to do. Now be real reverent and watch this way.

L-329 Now, here's a man. We're strangers to one another, but Jesus Christ knows us both. Do you believe Him? You believe me as His servant? You will.

L-330 Now, when Jesus met a man, it was, that we find Him doing the miracle on, was Simon. Wasn't it? That was the first man He met. All right. He told Simon what his name was.

L-331 Now, the Lord help me to know something that's wrong with you, that it is. Yes, I see it now. It's an intestinal trouble: colon. It's an inflated colon. You're not from here, either. You come from the West, this way. You're from California.

L-332 There is somebody with you. He's got a prayer card, to be prayed for, tonight. He is setting out there now. He's your friend. And he is suffering with a nervous condition, like a nervous breakdown. You believe he's going to get healed? [The brother says, "Hallelujah!"--Ed.] So do I. You believe now that Jesus can tell me what your name is? Mr. Hamby. Then, return back, lay your hands on your friend. And

believe with all your heart, and you can both go back and be well, in the Name of the Lord Jesus Christ.

L-333 Do you believe? [Congregation says, "Amen."--Ed.] Now pray. It's just weakened me. And it's getting right now, see. Pray. And we'll just start praying for the sick now.

L-334 How do you do? Speak English? [The sister says, "Yes, I do."--Ed.] You do. Do you believe me to be God's servant? ["I do believe."] That's what the Angel said to me, said, "If you can get the people to believe you." Not believe me as Him, but believe He sent me. ["Yes."] It's for your little boy. ["Yes, it is."] That's right. You believe God can tell me what's his trouble? ["Yes."] You'll believe it? ["Yes, I will."] He's nervous. ["Yes."] It's caused from a scare. ["Yes."] A dog scared him. ["Yes."] That's right. He is going to get all right. Take him back. Believe with all your heart, he'll be all right. It's a shock. I'll put my hands on you, in Jesus' Name. Don't fear. Don't fear, and he'll get over it, and be all right. See? Be thankful.

L-335 You believe with all your heart? [Congregation says, "Amen."--Ed.] Amen. "If thou canst believe." [\[Mark 9:23\]](#)

L-336 This lady setting here, talking to the other one there, with that sinus trouble. A while ago, that something happened to you, that's your sinus got healed. Amen. You believe it, and go home now and be made well. Uh-huh.

L-337 You believe? [Congregation says, "Amen."--Ed.] Out there in the audience, do you believe? ["Amen."]

L-338 What do you think, with your hand up, setting out there? You believe me to be God's prophet? Then that hernia won't bother you any more. Your wife is awful sick. Doctors don't even know what's wrong with them. Just lay your hand over on her, believe with all your heart. He knows what's wrong with her. She'll get well, if you'll believe it.

L-339 You believe God healed your heart trouble, standing there? Then go back home, get be well. Now, if this ain't Jesus Christ in amongst us!

L-340 What do you think about it, little lady setting there looking right at me, there in the second row? Has got chest trouble. You believe Jesus Christ make you well? Stand up on your feet and accept it then. Amen.

Have faith in God. Don't doubt it.

L-341 The lady there, looked over at her, and kind of had sympathy with her, the red sweater, setting on. Got sinus trouble. You believe the Lord Jesus make you well? Yeah. Stand up on your feet and accept it, and get well. Amen. That's the way to do it. Uh-huh.

L-342 What do you think about it, setting there, brother? You believe me to be His prophet? You believe God can tell me your trouble? Your allergy is gone. Jesus Christ makes it well. Hallelujah!

L-343 Do you believe it, with all your heart? [Congregation says, "Amen."--Ed.] Amen.

L-344 Huh? Where we stop at, card fifteen? Was that what it was, prayer card fifteen? How many more has got prayer cards in here? Let's get rid of these prayer cards. Line yourself up down here on the side.

L-345 Let me show you. Just let me show you that healing don't only belong to one man. Let me show you what God can do through His humble servants here. Come here, brethren. I wonder if you brethren walk right down here, right here with me. Walk, come right off the platform, walk right down here a minute. Yeah. All right. We're going to. We'll pray for them right here. I want people to see that, that God uses His servants. Come. Come. You, you ministers, come right down here. I'm going down here with you. See? I'll show you that God heals the sick through your pastors. [A brother says, "Down, off the platform?"--Ed.] Doesn't matter, either way you want to. Amen. That's right.

L-346 All you people that's got your prayer cards, walk up here. Don't you doubt it. You believe it. You

believe with all your heart now?

L-347 Now, pastors, some of you down there, I want each and every one of you. While I'm praying, I want you all, some of you get down there, and be sure that your hand touches everybody in that line. See? I can't get to every one of them, but you can. That's it. Get down there, get right among them.

L-348 All you people out there, believe now. We'll get to you just in a moment. Believe with us now.

L-349 Each one of you all here, remember, Jesus Christ knows you. He knows exactly what you're thinking. You know that. There isn't a one of you but what He'd tell you just now. You see that. Then He's here. It's Him. It's not me. I'm just your brother.

L-350 Now you believe, while I'm praying. I'm going to pray for you, and these pastors.

L-351 See, I don't want to leave the town, people think, "Well, the evangelist was in here. He did this." I want you know that your pastor has the same authority. He might not see visions; that maybe come one in a generation. But--but he's got the same authority from God, to lay his hands on you. It's just exactly the same.

L-352 Now let's all pray. Keep your head bowed now. And each one, when you feel that pastor's hands touch you, just remember, drop your prayer card, raise up your hands, and thank God for your healing, and walk back there and see what happens.

L-353 Our Heavenly Father, we are assembled here now in the midst of this people, in the Presence of Almighty God, O great Eternal Jehovah, Who brought forth Jesus Christ, Your Son. I pray now, as these ministers, the hands of God. And as I lay my hands upon our sister here, I pray that You will meet them, Lord, every one. May the power of Jesus Christ come down upon this audience just now, as these pastors are touching these people. And may every one of them be healed, in the Name of Jesus Christ.

L-354 Satan, you've lost the victory. Jesus Christ is present, to anoint these handkerchiefs, to heal the sick, to do the work that He promised to do. And we, as His servants, challenge you, by our own faith in His resurrection, in His Presence now, after two thousand years, working spiritually through His Church. Come out of this people. In the Name of Jesus Christ, leave them go. Come out, through the Name of Jesus Christ.

L-355 Now, while they're laying hands upon the sick, if there's a sinner, or a person that wants to be saved, that wants to come up around the altar now, next, rise right up and come forward now. We're here to minister. If the personal workers come with them, who rise up and come.

L-356 Anybody wants to come up here now for prayer, come right ahead. Whether you have a prayer card or not, you're welcome to come right here now, and have hands laid on you. Come on now, while we're waiting.

L-357 If there's any of you that's needy, needs the Holy Ghost, needs salvation, needs Divine healing, we are here, as ministers of Christ, to serve you in the capacity of laying on of hands, and seeing you filled with the Spirit.

L-358 Everybody that would like to have this Jesus that knows the secret of your heart! You people who doesn't know Him, and you feel that funny little feeling around your heart, I know they're here. The Holy Spirit is telling me so. Come up here now. Come up here. If you will get up out of your seat and walk this way, and say, "Lord Jesus, I come because I need You, and I'm coming to receive You," God will grant you your request if you won't doubt. And believe with all your heart that the things that you see right now is the works of Jesus Christ! If you're Methodist, come on. If you're Baptist, Nazarene, Pilgrim Holiness, Roman Catholic, orthodox Jew, a rank sinner, atheist; I don't care who you are. Walk up here, believing God, and see what happens right now. Come. I want to see you gathered here.

L-359 I believe, the Holy Spirit, on this great crucial moment, this great hour when the... when even past

time, but, yet, I believe that right now God is going to meet your request if you just believe me. You seen Him take... Surely I'm telling you the Truth.

All right, sister, you can go right down there, be made well. See?

L-360 Now, surely you'll believe me. There is every one of you here now that has a need for God. Come, stand, or stand up along the side. Somewhere, just raise to your feet, be a witness, say, "I witness, Lord," and then if there is something wrong. Stand where you are. Stand right up if you--if you need God. That's right. If you can't get up... That's it. "I have need of You, Christ."

L-361 Now, please believe me. Do you believe me? You believe that is God speaking to me? If you do, raise up your hands, if you believe. Thank you. Now, because you believe... If I have told you the Truth, God is witness, I've told you the Truth. God is here, witness, I told you the Truth.

L-362 Now, I'm telling you the Truth now. If you will look up to God, and by faith say, "Lord Jesus." If you're a sinner, say, "I confess my sins." If you want the Holy Spirit, say, "Lord, I--I need Your blessings, to carry me through life. I want the Holy Ghost." If you're sick, say, "I need healing, Lord, and I now accept it from You. I believe it." If you'll do it, then you will receive it.

L-363 Now let's just raise up our hands, each one in your own way. It's got to be your confession. And I'm going to pray for you here. Now you believe it, and you pray. I'm going to pray for you, and you pray for your own self. Just pray. Confess your own faults. Confess your weakness. Make your promise to God that you're not weak anymore; you're strong. You're not a coward. You're not going to be sick. You're not going to serve sin any longer. You're going to serve God. Make your confession and believe it. It's your soul. It's your responsibility. That's right.

Somebody struck fire. That's the way to do it. Just believe it.

L-364 Lord Jesus, this great hour is here, the great, crucial moment. The last day of the feast is here, the last time, the last opportunity. These people are in need. Let the Holy Ghost fall, Lord. May the people see It, feel It, know that that's God, Christ in their life, trying to come in at this time, and give them the great deep desires of their heart. Grant it, Lord. Fill the... them with the Holy Ghost. Heal the sick. Get glory to Thy Name.

L-365 Now, Satan, you've lost the battle. You've lost the meeting. You lost the victory. I claim victory, in the Name of Jesus Christ, for every person in here. Come out of here, Satan. You can't hold them any longer. I claim them, trophies, for the Lord Jesus Christ. Amen.

63-0627 - Associated Brotherhood Of Christians Campground, Hot Springs, AR (Paragraphs: 273 - 352)

L-274 Now, in the Name of Jesus Christ, I take every spirit in here under my control, for the glory of God. Now sit real quiet.

L-275 Now, you that seen that picture, (and I'll meet you some day at the Judgment Seat of Christ), It isn't two feet from where I'm standing right now. That's right. Now if that's the same Holy Spirit... Anybody knows that the Angel of the Covenant was Jesus Christ, Who led Israel through the wilderness. And if He will come now. And I've claimed that He is that Light. I don't know just where It's at, but It's right here near me. I feel It, and I know It's here.

L-276 Now if It'll take my life, my own thoughts, my discernments, everything away from me, and produce His Own, then It's Christ. Now will all of you believe, if He will do it? [Congregation says, "Amen."--Ed.] All right, now be real reverent. I'll have to talk to the lady just a moment.

L-277 Now ever who is the engineer of this microphone here, watch it. Because, when you're in a vision, you're--you're--you're away from here. You're somewhere else, down a person's life, somewhere else, just like being in some other country, and I have to just talk and say what I'm looking at. And then

because it'll leave me, and then I don't remember what I've said, see. So you watch the microphone, whoever it is. While I talk with the lady just like our Lord did the woman at the well, just to talk to her, to catch her spirit.

L-278 Because, I started in preaching, a while ago, and it kind of... Before I leave the room, a day, I fast and pray, and It's real near me. And I should just come right in, let somebody else speak, and then walk right in the pulpit. It's much better. But just to be here tonight, then I--I want to talk with the lady.

L-279 Now, lady, the Lord Jesus is great. And He is not dead, but He is alive forevermore. You believe that? I--I believe you believe it. Now us standing here, as a man and a woman that's got to face Christ someday, we--we must see Him. But I perceive that you are a Christian. Because, just as soon as I go to talking, then I feel their spirit coming in.

L-280 Now if the lady will witness the truth, right now she feels a real odd feeling, like real sweet, warm. Now if you can look with your eyes, you that's never seen It, here It is right between me and her, see, kind of an amber-like Light. It's settling right over the lady, right now. And, in the Name of the Lord, she recognizes that something is making her feel real sweet, different than what you...

L-281 Just, you know, your brother's presence couldn't do that. If that's right, just raise up your hand to the people. See? Yeah.

L-282 Now right here, I'm looking right at the lady, a perfect contact with her. The lady is bothered about something, and that is that she is shadowed. There is a dark shadow over the woman, and she is bothered. Yes, it's cancer. She has cancer, and that cancer is on her hand, on her finger. That's right, in your hand. Can't see it here, but it's on her hand, anyhow. That's right.

L-283 Why is it, variably, that somebody thinks... Don't, don't try to hide your thoughts now. I can catch it here through the Holy Spirit. Somebody said, "He guessed that." I did not guess that. I don't know the woman. Now, I did not guess that. I did not.

L-284 Well, here, you just... I can't see it from where I'm standing, it's on...

L-285 Here, all right, drop your hand down. Look at me. Believe me to be God's servant. Will you do that? All right, let's go somewhere else. Yes, you are a believer. And you should believe for that. I prayed for you once, a long time ago, with cancer, and you was healed.

L-286 You say, "You know the woman." I did not. I've never seen her in my life, as I know of, only see her in this vision.

L-287 Here let me show you something. She has got somebody on her heart, she is praying for. That's her husband. He is here. If I'll tell you what's the matter with him, will you believe he'll be healed? He has prostate trouble. And that's THUS SAITH THE LORD...?... Jesus Christ make you well.

L-288 Do you believe? "Sirs, we would see Jesus." He is the same yesterday, today, and forever. Do you believe It to be the Son of God? Now how many of you believe that it's Jesus Christ? [Congregation rejoices--Ed.] Just have faith. Don't doubt. Believe God. He is just as great today as He ever was. [\[Hebrews 13:8\]](#)

L-289 Now you said, just like, "Sirs, we would see Him." Now, if that made a woman at the well, under that condition, her--her--her spiritual condition, recognize that to be the sign of the Messiah; and we Bible readers, and filled with the Holy Spirit, what ought it to do to us?

L-290 Like I've often thought, when Mary being pregnant by the Holy Spirit who overshadowed and created this baby, told her about what was happening. She run up to see her cousin, Elisabeth, who was six months with--with John, the wife of Zacharias. And they were cousins. And when Mary told Elisabeth that she also was going to have a baby, knowing no man, that the Holy Ghost was going to bring it, and said, "They called His Name 'Jesus.'" You know, little John, and he was six months in the mother's

womb, and he hadn't ever moved yet. See, that's subnormal; about two or three months and the baby moves. But, this was subnormal, little John was dead in his mother's womb. And as soon as Mary's salutation come to her ear, said, "I shall call His name, Jesus." The first time Jesus Christ was ever spoke by human lips, it brought a little, dead baby to life, in its mother's womb. [\[Luke 1:41\]](#)

L-291 What ought It to do to a man or woman that's born of the Spirit of God? See? What ought It to do when we know we are living in the last days, the Scripture that's piled here in our--our midst, tonight, upon our voices out here, to see Jesus Christ giving us the last sign before the fire? What ought It to do to us? Send us to our knees, to repentance.

L-292 I'm waiting just a moment, certainly, kind of shake away from it, 'cause it weakens me. If it weakened the Son of God, virtue went from Him, what would it do me, a sinner saved by grace?

L-293 Now here is a young woman like... Is this the next, is this the... How do you do? I had turned around. I didn't know. We are strangers to each other, I suppose. We don't know one another. I don't know you. And you are years younger than I, and we was probably born miles apart. Our first time meeting. But do you believe me to be God's prophet, or, excuse me, I mean God's servant? That stumbles people, the reason... This is on tape. Do you believe me to be His servant?

L-294 Do you believe that Jesus Christ is the same yesterday, today, and forever? And do you believe that, you, this Light that I speak of, that that is the Spirit of God, the same Spirit, that Pillar of Fire that went through the wilderness with the children of Israel, was made manifest? The same One that come into the prison that night, that Light, with Simon Peter, and opened the doors of the jail, put Him out, free?

L-295 Do you believe someday He'll come in and make us free? I do, too. Come to the grave and open the doors, I'll come out from among the dead. I'm trusting Him. He is here tonight. Isn't it wonderful to know that we don't have to take some human philosophy? We got a Bible here that speaks of this. And here He is to identify His Church, to give it rapturing faith to be taken away. How could a person sit still!

L-296 Just speaking with the lady. Now, I don't know her. Here is my hand, I've never seen her, as far as I know. Just, if I don't know you and you don't know me, so people will say...

L-297 Someone said, that man I was talking to today, down there picking up the cans, he said, that, "People said, 'Brother Branham brings his own group with him, that's how he knows them.'"

L-298 I solemnly swear before God, I never seen that woman in my life, as I know, or nobody else in that line.

L-299 If we are absolutely total strangers, sister, I don't know you or nothing about you, raise up your hand, if I don't know you and you don't. There you are. I never seen the woman. All right.

L-300 But I know Somebody standing here with us, Who knows both of us, He's fed us all the days of our life. It's Him I trust. It's Him I believe.

L-301 Now if I could help you, and wouldn't do it, I wouldn't be worthy of talking about this Word. I'm not worthy, anyhow. But if I could help you, and wouldn't do it, but the only thing that I could do...

L-302 If He was standing here, and you were sick, you would say, "Jesus, heal me." He would say, "I've already done it when I died at Calvary." He was wounded for our transgressions. There the price was settled, it was finished.

L-303 But now He could prove that He was Jesus, by showing you the Messianic sign, that He was Jesus. And He promised to do it. What a... My! There is just no loophole for the devil to get away, is it? He is cornered. Isn't He wonderful? I want...

L-304 The reason I was saying that, I'm watching something happen. The lady has just come from an

operation. That's right. Is that right? A female trouble, and you've had an operation. You've... Is that right? And you're suffering from a real weakness and nervousness. Isn't that right? Can't hardly recover from it. And you've come. And tonight, before coming, you prayed you would be able to get here and be prayed for, in the line. Is that right? Raise up your hand. I'm not reading her mind. No, no. If I tell you who you are, by the Spirit of God, you know whether it's the truth or not, won't you? Would it make you believe? Will you believe with all your heart? Mrs. Gideon, believe. That's right. Go home, Jesus Christ makes you well. And believe.

L-305 Do you believe? [Congregation says, "Amen."--Ed.] Let's say, "Praise the Lord." ["Praise the Lord!"] My, goodness, what... Just have faith in God. Don't doubt.

L-306 Remember, that was THUS SAITH THE LORD. Watch what He says. See? A vision is one thing, and THUS SAITH THE LORD is another.

L-307 How do you do, sir? I'm a stranger to you. We are of two different races, even; like the woman was at the well, but Jesus let her know. God made of one blood all people. The nations and the places we were raised, and changed our colors, has nothing to do with us. We are brothers, creatures, all come from Adam. That's right. But two different races meets here tonight, just like it did then. If Jesus Christ, the Son of God, can reveal to me what you're standing there wanting, do you believe He would give it to you? You know it. Thank you, sir. You know it. All right, then your stomach trouble will leave you, and your diabetes will be gone. Return home.

"If thou canst believe, all things are possible."

L-308 Now anyone can see, helping her up there, there is something crippling in her. I don't know. I've never seen the woman. She is a total stranger. If I could heal her, I would do it. I can't. Now look this way, sister. Peter and John... That's just to catch... See, there is people is all around, you see. Remember Him leading a blind man outside of the city, and so forth, see, get to Himself. See, every person is a living spirit, see, and It's to pick you out from faith from everywhere.

L-309 Now, I cannot heal. You know that. I'm a man, just like your--your husband would be, your father, or anyone else. I'm a man, just a human being. But He is God. That's right.

L-310 Now, it is true that your crippling is an arthritis. And you--you have arthritis. It's bad, getting worse all the time. That's right. And another thing, you have a real serious nervous condition. You got a bladder trouble. That's right. High blood pressure. Just got complications. That's right. You're not from here. No, you've come from California. You return back, and believe. You're going to get well, in the Name of Jesus Christ. Have faith.

L-311 You believe? All right, let's just raise up our hands and say, "Thank You, Lord Jesus." [Congregation rejoices--Ed.] "And, Lord Jesus, we give You praise and glory, for all Your goodness and mercy to us. In the Name of Jesus Christ. Amen." Just have faith and believe.

L-312 Now look at her walking away. Look at there. [Congregation rejoices and praises the Lord--Ed.] See? See? Say, "Praise the Lord." ["Praise the Lord!"] Amen.

L-313 Jesus Christ is the same yesterday, today, and forever. He doesn't lie. He tells the truth. What He tells you, it's going to be just that way. He is the same yesterday, today, and forever. He never fails. [\[Hebrews 13:8\]](#)

L-314 Now, anybody that believes that, if you will accept it, it'll work the same thing on you. The only thing you have to do is believe. Now, everybody in the audience believing? [Congregation says, "Amen."--Ed.] All right.

L-315 How about you with them varicose veins? You think God would heal you of them, make you well? Do you believe? All right, they'll leave you then.

L-316 I want to ask you, "Who, Who did she touch?" She never touched me. Is that right?

L-317 What about you, do you believe? You believe that pain in your side will leave? You're suffering with a pain in your side. All right, it shall go.

L-318 I challenge you to believe it, Jesus Christ the same yesterday, today, and forever, identifying Himself among His people. I never seen that woman, never seen that person. What did they touch? They touched the High Priest. They are twenty feet from me. They can't touch me; wouldn't do no good, anyhow. But they touched the High Priest, and He is the same yesterday, today, and forever. He is Jesus Christ. You must believe, though.

L-319 Now this man, here is a man, like Simon Peter. Maybe the first man that's come tonight, I believe. A man come before here, like the Lord Jesus; a man, Simon Peter came before the Lord Jesus. A man; I think it's been women, now it's a man. Now if He is the same yesterday, today, and forever, then He will be just as He was then. Is that right? Now I don't know the man; the Heavenly Father knows that. I don't know him. He is just a man standing here. But Jesus Christ knows him. And if Jesus Christ can reveal to me what he is here for, or something about him, and--and He will speak it, he knows whether it's the truth or not. The man will know it. And if anybody here knows him, they'll know it. But I--I don't know it. I just have to wait. But the answer is here. It's here, it's in Christ. That's right, and we believe it.

L-320 And now this is a weakening affair; very, very weakening. And I trust that you will believe and have faith.

L-321 Now, not knowing you, sir. And just like someone brought Simon up before the Lord Jesus. Now I'm not saying... I'm not the Lord Jesus, see. I'm just a man. But I'm trying to say that He is here among the people, and I want them to see. And if they can see that, then surely they--they can believe and accept it. When all... If this promise, if He'll make... He can't just come out there, and walk in here, say, "I'm going to heal you. I'm going to heal you." His... That would be against His Word. See, He has already done that. He is just...

L-322 The last thing He can do is just to prove that He is here to keep His Word. And if He will keep this and manifest it up here before all you people, surely that crippled woman that had to even lift up on a four-inch thing there, with arthritis, jumped up-and-down and run through here, because it was THUS SAITH THE LORD. See? He healed her. Now surely you can believe that He is here.

L-323 Now this man, a stranger to me, and I to him. We're both strangers. Now if the Lord Jesus will reveal it, let him be the judge. Then will you all believe and accept your healing, ever what, will you believe with all...

L-324 [Brother Branham pauses--Ed.] Some lady appeared here before me. [Brother Branham pauses.] The lady there with the lung trouble, believe with all your heart and Jesus Christ will make you well, if you can believe. You believe it? I'm a stranger to you, but Jesus Christ knows what you were thinking about. Now you believe, and you'll be well. Amen. Amen.

L-325 Isn't He wonderful? I don't know the woman, never seen her in my life. She is just a lady sitting there. But she...

L-326 Let me tell you something. She was sitting there, saying, "Lord, let me touch You." Ask her if that isn't right. That's it. That's right.

L-327 And I seen her appear here, and heard what she said. And looked back, and I thought, "Where is that type of a looking person?" I couldn't see it anywhere. And I kept looking. And when she would... I looked around, and directly I seen that Light move over and hang over the woman. Here she was, see. Jesus Christ the same yesterday, today, and forever. Amen. The Lord Jesus knows everything.

L-328 [Someone says, "The lady come with me."--Ed.] That's what it was. This man says the lady come

with him. Amen. Isn't that something. See? Now aren't... Isn't that wonderful? The Lord Jesus knows all things. Don't you see? That can't be me, friends. You know that. You're--you're more intelligent than that. You know it.

L-329 Now to this man standing here. Now, not knowing you, and knowing nothing of you, if the Lord Jesus will reveal to me something you're there for, or something you've done to cause your trouble, or whatever it is, then you know that He, it has to be the Lord Jesus. That's right. Well, now may He grant that.

L-330 The first thing, the man is suffering with a--a blood condition. No, it's a high blood. He is suffering with a high blood. He has also got something wrong with his body. I see him sitting with his feet up, or some... Oh, it's--it's water gathering around your ankles, around like that. Say, you are a minister, a preacher of the Gospel. [The brother says, "Amen."--Ed.] Do you believe God can tell me who you are? Rev. Williams, if you believe with all your heart, you can go away from here and be well. [Congregation rejoices.] God bless you. Amen.

Do you believe? [Congregation rejoices--Ed.]

L-331 Do you believe God heals cancer? Do you believe He heals cancer and makes people well? Go on off the platform, believing, and get healed. Amen. Believe with all your heart.

L-332 Do you believe God heals of heart trouble? You do? Well, then yours is healed. Go and believe with all your heart. Just praise be to God! Amen.

L-333 Now, you had a real strange feeling when I said that to the man, because you had heart trouble, too. If you'll keep on believing, it won't come back. It'll leave you for good. Go, believe with all your heart. Amen. All right.

L-334 This woman coming here is shadowed to death. She had a cancer, but now it's gone. Believe with all your heart, and it'll go, and be made well. If you won't doubt, it'll never come back if you don't doubt it, but believe.

Come, lady.

L-335 Now you say I was "reading the people's minds." Turn it like this. The Angel of the Lord that was supposed to come in the last days, Lord God Jehovah, was supposed to know what was behind Him, like He did. This woman is behind me.

L-336 Believe, sister. Do you believe me to be God's servant? If you do, raise up your hand.

L-337 The lady behind me, has she got her hand up? [Someone says, "Yes."--Ed.] If the Lord can reveal to me, looking this way, what's wrong with the woman, will you believe with all your heart? [Congregation says, "Yes."] She has a female trouble, a lady's trouble.

L-338 If that's right, wave your hand, this lady here. You are healed now, and Jesus Christ makes you well. Glory to God! "As it was in the days of Sodom, so shall it be in the coming of the Son of man."

L-339 This place on her face has turned to cancer. If she would believe with all your heart, you can go, and it'll leave you, and you'll be well. I can't heal, but God will if you'll believe with all your heart. I am not a healer. Uh-huh. Amen.

L-340 Do you believe with all your heart? [Congregation rejoices--Ed.]

L-341 Sister, look this a way, lady. You suffer with arthritis, it's worse of a morning, when you try to get out of bed. You slip one foot out, and then try to make your way, and hold to the things sometime, in the house, trying to get around. That's exactly right. If you'll believe with all your heart, Jesus Christ will make you well. Tomorrow afternoon will be different, if you will believe it.

L-342 Let's say, "Praise the Lord." [Congregation says, "Praise the Lord," and rejoices--Ed.]

L-343 This man is aged. He has a trouble called prostate, which is the age for his man. He has many

things wrong with him. But one of the great things that he is wanting me to pray for him for, is arthritis. It's been bothering him for some time. That's right. Do you believe? Go on your road and be healed. And thank Jesus Christ, makes the sick well!...?... All right, sir.

L-344 I don't know the little girl, a healthy-looking child. Look at me and believe, lady. Do you believe with all your heart? Do you believe me to be His servant? Do you believe that God can reveal to me your trouble? You're just about to a breakdown, from a nervous condition. The devil has lied to you, tries to make you think you're losing your mind, and everything. Don't believe it. You're free. Jesus Christ makes you free. Amen.

L-345 Do you believe, the whole audience of you? Do you believe now, in His Presence? [Congregation rejoices--Ed.]

L-346 Do you believe with all your heart, sister? Do you believe Him. You do? In the Name of Jesus Christ, be healed. Amen. Believe with all your heart.

L-347 She is nervous, has a lady's trouble, also suffering with an arthritis. It's about to cripple her up. If you believe with all your heart, you can go be made free. Do you believe it? Then on the Name of the Lord Jesus Christ,...?...

L-348 Do you believe with all your heart? Now wait. Does Jesus Christ keep His Word? Does He keep His Word? How many believes that He is the same? How many believes that you see Jesus Christ working among His people? [Congregation rejoices--Ed.] "Sir, we would see Jesus."

L-349 Now, I tell you the truth. Just surely you can believe if God tells you that I tell you the truth. (Now I feel my son or somebody pulling on my coat, which means that it's time he is to let me go.) I want to tell you the truth, that's the Word of God promised to do that.

L-350 The Word also promised this. You raised up your hands and said you were believers. Is that right? The last words Jesus said, before He ascended on High, He said He give gifts unto man, He said, "These signs shall follow them that believe. If they lay their hands on the sick, they shall recover." Is that right? "If they," the believers. [\[Mark 16:17-18\]](#)

L-351 How many is believers, say, "Amen." [Congregation says, "Amen."] Then you lay your hand on somebody next to you. Just lay your hand over to the one beside you. Just put your hand on one another. Oh, now pray for that person.
Lord Jesus, grant it, Lord.

L-352 Satan, come out of this group of people, in the Name of Jesus Christ.
[Congregation continues praying and rejoicing--Ed.]
