## **63-1201E - Life Tabernacle, Shreveport, LA (Paragraphs: 139 - 154)**

**L-140** He is the inexhaustible fountain of Eternal Life, here tonight to make manifested any Divine promise of His Bible, to anybody that'll believe It. Amen. Yes, sir. The only thing you do is drink. Come to the fountain and drink. Drink until you're satisfied. You can't exhaust Him. No, sir. He is absolutely the inexhaustible, and you can just drink and drink and drink. You can drink your healing in. You can drink your salvation in. Just come and drink. "Let him that's thirsty come and drink." Amen. I--I--I know He is here, and I know He'll do the exceedingly, abundantly if we'll just let Him do it. [\[John 4:14\]](#), [\[John 6:35\]](#), [\[Ephesians 3:20\]](#)

**L-141** I just seen something happen. And I--I don't want to start one of them kind of services, you see, of visions, because I--I'm talking about something else. See, I'm talking about you coming, not for physical healing, but coming to--to... As soon as they go to doing that, now that's just... See, as soon as I went to relax myself then, to get away, the first thing you know, people caught, you know, you feel that coming in.

**L-142** Here, I can tell you. That man sitting in back there, with his nephew's boy with that bad hip. If he'll believe, God will heal him and make him well. Do you believe that He would heal him and make him well? [The brother says, "Amen."--

Ed.] If you do, well then God will do it. See? Exactly right. Amen.

**L-143** Here is a man sitting right here, looking right at me. He is praying for his family. He is really not from here. He is from South Carolina. Mr. Dixon. But if he'll just believe with all of his heart, God will grant that blessing to him. Do you believe it, sir? I'm a total stranger to him. I never seen him, in my life. Amen. I never seen him, in my life.

**L-144** But you see what I mean? What is it? "How does that work, Brother Branham?" When Brother Branham can get out of the way! Yes, sir. When I can get out of the way, then Jesus Christ comes in.

**L-145** Just by the way, right over from him, is another man caught Fire, and he is from South Carolina, too. That's right. I see It hanging right over him. That's exactly right. He is praying for a brother that's an alcoholic. That's exactly right. Listen. You're Brother Holmes. Do you believe that God... Is that your name? God makes... God will grant it to you. Do you see what I mean? "Once more, Lord, once more!" [\[Judges 16:28\]](#)

**L-146** Let's stand up on our feet, everybody. Cry, Pentecostal, raise up your hands, "Once more, Lord! Once more, Lord, once more!" Hallelujah! I don't know what to do, but It's here. Let's cry, with one accord, "Once more, Lord!" Cry it out, "Once more, Lord! Once more, Lord! Once more, Lord, send Your Power, send Your blessings. Send the Holy Ghost upon us, like a rushing mighty wind, and fill every soul that's in here, anew." Glory to God! Believe it with all your heart. "Once more, Lord, once more!" Hallelujah! [\[Judges 16:28\]](#)

**L-147** Drunk on the Spirit! If the Holy Ghost can just pour into you till you're so drunk you forget what your name is, till you forget all your doubts; get you so drunk on the Spirit till you forget your doubts, amen, then you can get somewhere with God. Then the cry, "once more," goes up from the sincerity,

and then another one. Hallelujah! Filled with the Holy Ghost, these drunk on the Spirit; God's righteousness and holiness, and power, get you so drunk till you forget who you are. You're nothing, to begin with. Remember, God wants to come into you. "Once more, Lord, once more! Once more, Lord, once more!" [\[Judges 16:28\]](#)

**L-148** Oh, Pentecostal, Pentecostal, run for your life! There is just a little time left. It's later than you think. If I never say another word from this pulpit, remember, run for your life! It's later than you think. I feel the Holy Spirit on me, saying, "Say it again." Run for your life! It's later than you think.

**L-149** Once more, Lord, once more fill Life Tabernacle with Eternal Life, every member in here. And let the Glory of the Lord fall upon this congregation, Lord Jesus. Hallelujah! Hallelujah! I believe God. Once more, Lord, once more let man forget who they are. Let man forget his unbelief, that we could cry, "Once more, Lord, once more!"

Do you love Him? [Congregation says, "Amen."--Ed.] [\[Judges 16:28\]](#)

**L-150** O God, Heavenly Father, give us a revival in our souls, Lord. We see the--the--the lamps are smoking, the Fire on the altar is going out. O Lord God, look down upon a sin-cursed nation, but, Lord, don't forget Your people. People here has strived for years, Lord, to build this little economy for You. Life Tabernacle was built, Lord, for a--a soul-saving station, for a revival. O God, once more pour Your Holy Power into it. Surge every member, take out every differences. Send down a rain of God's Holy Fire and lighten our souls, Lord, with the Presence of Jesus Christ. May the people not be so stooped in unbelief, that they can see that You're here with us; and You are the Word, and a Discerner of the thoughts of the heart, as the Bible has been so proven to us, over and over again. Lord God, let us wake to our senses, of the Spirit of God being in our midst. Grant it, Father. I commit it to You, with myself. Amen. [\[Hebrews 4:12\]](#)

**L-438** And, Satan, we come to you in the challenge of the Name of the Lord Jesus. He is the Sword. He is the One who cuts away the sickness. He is the One who cuts away the doubt. He is the Conqueror. Now we challenge you, in the Name of Jesus Christ, that you come out of this people, Satan!

**L-439** The Word of God is made manifest. It circumcises, takes away doubt, takes away sickness, and brings perfect deliverance. We pray that the Holy Ghost will fall upon this people, and give to them the power of faith to believe that the Presence of the omnipotent Christ is here now. Grant it, Lord.

**L-440** I condemn every sickness. I condemn all diseases. I condemn all unbelief. In the Name of Jesus Christ, may the Holy Ghost honor what I've said, and sweep through this building and deliver every person in Divine Presence.

**L-441** Raise up your hands now and praise Him. I pronounce you well and healed, in the Name of Jesus Christ!

**L-151** Brother, sister, I don't know, in my Bible, of any other thing God promised to do before the Rapture of the Church. I don't. You're thinking of a mark of the beast, coming; I've told you, it's, they done got it. See? The next thing left is for the Rapture of the Church. It could come at any time, and not disrupt any Scripture in the Bible, as far as I know it. God knows that's true. Yes, sir. The time is at hand. It's later than we think.

**L-152** Let's just close our eyes, and sing, I Love Him. Maybe, if we'll worship and praise Him, maybe He'll do something. I've prayed all this week, to see a breaking forth in this tabernacle. I prayed before I come here. I got people praying for this. Oh, there--there is prayer going up for this. I'm trying to believe with all my heart. Let's wake up, right quick. Let's just worship Him and praise Him, as we sing it now with our eyes closed and our hands to God.

*I love Him, I love Him  
 Because He first loved me  
 And purchased my salvation  
 On Calvary's tree.*

**L-153** Now while we sing the next verse, shake hands with somebody by you, your Christian brother, say, "God bless you," now while we sing it.

*I love Him, I... (If you love one another, you can't  
 keep from loving God.)  
 Because He first...  
 ... salvation  
 On Calva-...*

**L-154** Now let's say, "Hallelujah!" [Brother Branham and congregation together say, "Hallelujah!"--Ed.] Say it again, "Hallelujah!" Again, "Hallelujah!" Praise our God!

*I love Him, I love Him because...*

Brother Don, you ready?

### 63-1229E - Branham Tabernacle, Jeffersonville, IN (Paragraphs: 347 - 441)

**L-348** Oh, friends, now what? Now where are we at? Now we're at the--the end. We're at the time where something has to be done, said "yes" or "no." God has got to be found right or wrong.

**L-349** Now, today I've preached two sermons, hard, trying to tell you what He is, tell you the time is closing; what He is, what He was. And now when we look, tonight, let's look at Him.

**L-350** Now, every person, in the Name of the Lord Jesus, keep your seat now. Don't stir around. Sit real still until you're called. Let the little children...

**L-351** Now, if I happen to say, "Bow your head," do it right quick, honey, 'cause evil things leave, such as cancer and diseases, and it goes out amongst the people, and gets into others. All that believe that, and know it's the Scripture, say, "Amen." [Congregation says, "Amen."--Ed.] We find, in the Bible, that evil spirits went from one to the other, when they was cast out. And they try to find a place.

**L-352** And how many times have we seen it in the meeting! People come to the meeting, perfectly healthy and well, sit there and criticize; and, a day or two after that, be found totally blind, or stricken with a cancer, paralyzed. See, because they were unbelievers. I'm not responsible for them; only for the believers. Many of them went in the institution, many years ago, and still there, some went to their grave, just because of being arrogant, unbelieving.

**L-353** There is no place for an unbeliever now. It's a place for believers. Have faith in God!

**L-354** Heavenly Father, now the meeting is Yours; it's been Yours, all the time. Now, I can speak on Your Word; but now, from now on, I can't speak. You're the One Who speaks now,

**L-432** All around, through here, lame, blind, crippled, in wheel chairs and everything, there stand tonight as living trophies. Why is it? Jesus Christ lives, He's the same yesterday, today, and forever.

**L-433** That man that just testified, a while ago, of him, down there, that had epilepsy, that had it all them years, and everything, and just one time in the meeting. And that's been around, almost twenty years ago; he's never had a seizure since. That's one of the ten thousands.

**L-434** He's a healer. Amen. He heals. Now, don't be excited. Just, with child-like faith, look away to Calvary. Close your eyes and forget you're in this Tabernacle. Close your eyes and forget there is anybody around you, and look to Jesus and see. Look to Jesus now and live.

*It's recorded in the Word, hallelujah!*

*It's only that we "look and live."*

*Oh, "look and live," my brother, live,*

*Look to Jesus now and live;*

*It's recorded in the Word, hallelujah!*

*It's only that you "look and live."*

**L-435** Close your eyes to man. Close your eyes to the things around you. And look through your faith, to Jesus Christ, and know, that, "He was wounded for your transgressions; by His stripes you were healed." [\[Isaiah 53:5\]](#)

**L-436** Lord Jesus, as these people are praying, and, they have their hands upon each other. And we are... realize that we're standing in the Presence of the living, resurrected Jesus Christ, in the form of the Holy Spirit, revealing to us the secrets of our hearts, making known to us our desires, and promising us that He would give us our desires if we would only believe.

**L-437** Men and women have their hands on one another. They are praying, because we are fellow citizens of the Kingdom of God. We are fellow brethren and sisters of Jesus Christ.

you lay your hand on somebody next to you.

**L-425** Where is Sister Brown? She been setting here, suffering with that. The other day she called me on the phone, and she couldn't raise her hands up. I seen it was something wrong in her blood. When I met her the other day... She has got diabetes. Where is she? She was here with Mrs. Dauch, a while ago. All right, Sister Brown. Tonight, I want you to believe with all your heart. I know you know what's wrong with you, but I want you to believe. You've come out of the hospital, to come here, see, to be prayed for. I'm praying for you now. Believe. You're going to be well.

**L-426** Margie, have faith in God. It's going to quit right now. It's going to end. He can heal diabetes, He can heal you of that sickness in your stomach.

**L-427** Now each one lay your hands on one another, and just hold your hands there just for a minute. Just lay your hands on one another, hold... See, it's going on eleven o'clock, and many of these people has got to drive to Tennessee and different places.

**L-428** Surely, the Lord God has proved. What did you see, tonight? Did you see a man or did you see Jesus, Jesus confirming His Word?

**L-429** These handkerchiefs laying here, while this anointing is upon me, I have my hands laid upon these handkerchiefs, praying that God Almighty... They said, "They took from the body of Paul handkerchiefs, or aprons."

**L-430** Here is those who were dead, and has been raised up. There is those here who were in accidents, smashed up, are healed. There is...

**L-431** I see Mrs. Wilson standing here, that, not long ago, she was hemorrhaging to death, with TB, years ago. Here she is tonight, the doctors didn't give her but just hours to live. Here she stands tonight.

Lord. Let it be known that Your servant has told them the Truth. May people here, maybe many are here sick, and won't even be in the prayer line, but You're still here, Lord. You can heal out there, just as You can heal anywhere. Let Thy Word be made known, in Jesus' Name, I pray. Amen.

**L-355** Now if I can get your undivided attention for just a moment. I want to look down this prayer line. I don't really believe I know one person. Are you, in this prayer line, all strangers to me, you know that I don't know you? Raise up your hands if you are. They are. How many out there knows that I don't know nothing about you? Raise up your hands, out there, see. Sure, ninety-five percent of the people here, I don't. That's true.

**L-356** Now here is a little woman, I never seen her in my life. She is a total stranger to me. Now, she may be here for sickness. She may be here... Maybe she has done something. Maybe she is here for finances. Maybe it's domestic trouble. Maybe she is here for someone else. I don't know. I have no idea.

**L-357** But here is exactly a picture that's in Saint John, the 4th chapter, a man and a woman meets for the first time. And no doubt, that, the young woman that met Jesus, He was much older than her, because, "He," they said, "He looked to be fifty, or over fifty," and probably just a young beautiful woman that was out there at the well, was just a young girl. And here again, tonight, two people meet, young and old, without knowing one another.

**L-358** And now she stands there. There is some reason she is there. I don't know. She might be standing there, as a deceiver. She might be standing there, saying something, when it isn't, just to see what will happen. If it is, you watch what happens. See? See?

**L-359** Now, I don't know the lady; I've never seen her. She just held her hand, a while ago, that I was a stranger to her. And I

hold my hand, she is a stranger to me. I never seen her. Well, now if I...

**L-360** Just as a man, I'd have to say, "Lady, what is the matter with you? What are you doing here? What do you want?"

**L-361** And she would say, "Mister Branham, I'm--I'm here because I--I suffer with a--a cancer. I suffer with TB. I suffer with a tumor." Or, "I'm out of money. I... My husband left me." Or, "I'm not married, and my boyfriend did so." She would have to tell me.

**L-362** "Well," I would say, "all right, I'll--I'll--I'll pray for you; and lay my hands upon you, and say, 'Lord God, give this woman what she wants. Amen. Jesus, do it!'" Let her go away. Well, I guess, if she believed that, she'd get well. That's all right. That's been a ministry for many, many years.

**L-363** But it was promised, in the last days, that as the Angel, God, was dwelling in a human body that come up just before Sodom burned, and He sit with His back turned to the tent where Sarah was, and told Abraham what she was thinking in the tent; God, in a human flesh, wearing human clothes.

**L-364** And that's the only way God can do it today, is when He gets in your flesh, see, showing that God would be manifested in human flesh.

**L-365** Jesus said, "As it was at the days of Sodom, so will it be at the coming of the Son of man." We have a messenger, Billy Graham and them down there in Sodom, but the elected Church received a Message and a messenger. [\[Luke 17:29-30\]](#)

**L-366** Now, if this little lady... if the Holy Spirit... Don't say He'll do it, if He would come and tell me what you're standing here for, or--or what you want, or something you've done, or something you're about to do. Why, you would know it'd have to come from some supernatural source, 'cause we're just standing here, see. That would be right, wouldn't it? Then you would know it had to come from a supernatural force.

**L-420** Some man out here did something, just a few minutes ago. I want to find that. It was blood. Somebody like an accident, or something that happened. It was--it was bleeding. It was somewhere. The man was standing here. Now just pray. Yes, it is. It's the man sit... Why, it's J. T. Parnell. I know the boy. You're bleeding inside, J. T. Do you believe God will make you well? All right, it'll stop then, J. T. Believe with all your heart.

**L-421** The little lady sitting right here, looking right across, sitting there by Brother Grimsley. There is a Light by her. You, little white collar. Mary, I don't know you, but that's your name. You're bothered with a spiritual trouble, and also you're real nervous. Forget it; it's all going to be all right. Believe with all your heart. Have faith in God. If thou can only believe.

**L-422** This little lady sitting right back up there in the back row, over on the side over there, she is from Michigan, suffering with a female trouble. Do you believe God will make you well? You can have what you ask for, then. You believe it? Amen. Raise up your hand, say, "I accept it." All right, you can go home and get well. I don't know the lady, but God does know her.

**L-423** What about you here on this cot? You're the only crippled man, or man on a cot. I'm a stranger to you. I don't know you. God knows you. But, I say now, you're shadowed to death. You have cancer. You've come from a long ways. You come from Cincinnati, here. Your name is Mr. Hawk. Believe with all your heart. If you set there, you die. Accept Jesus Christ and be healed. You believe Him? Then stand up on your feet, out of that stretcher, and accept Jesus Christ.

**L-424** How many in here believes Him, at this minute? [Congregation says, "Amen."--Ed.] Do you believe with all your heart? ["Amen."] Then let's, every one of you, stand up right now. Stand up. Now in your own way, the way you pray,

**L-411** How do you do, sir? Do you believe God can heal that stomach trouble and make you well? [The brother says, "Amen."--Ed.] All right, then go, say, "Thank the Lord, I'm--I'm going to be well now." And--and you'll--you'll be well.

**L-412** Another arthritis case, and age, too. You believe that God will make you well if I lay hands upon you? [The sister says, "He has many times, with you, by laying your hands on me, brother."--Ed.] Did you hear that? [Congregation says, "Amen."] The Lord bless my sister, and give her deliverance again tonight. Amen. Just believe Him.

**L-413** Heart trouble, stomach trouble. [The sister says, "Yes."] Do you believe God can heal it? All right. Go, in the Name of the Lord Jesus, may He make you well.

**L-414** How do you do, young fellow? Asthmatic condition. Do you believe that God can heal asthma? [The brother says, "Yes."] Go, believe it; He'll do it. All right.

**L-415** Diabetic condition. Do you believe that God can heal your blood and make you well? Go, believe Him, and He'll do it. You believe it with all your heart?

**L-416** What if I didn't say nothing to you; just laid my hands on you; do you believe the Holy Ghost is here to make you well? [The patient says, "Yes."] That's the way to do it. Come here. In the Name of Jesus Christ, may he go and be healed. Amen.

**L-417** Come, lady. If I didn't say nothing to you, do you believe God would heal you with that female troub-... No, excuse me, He already said it. Go ahead. God bless you. Go, go, believing, then, be made well.

**L-418** You believe, sir, with all your heart? God heals heart trouble doesn't He? [The brother says, "Yes, sir."--Ed.] Makes man well. I'm sure He does.

**L-419** He, He is God. Do you believe that? [Congregation says, "Amen."--Ed.] Do you believe it with all your heart? ["Amen."] Have faith in God!

And if the Bible said that Jesus did that same thing, and promised to do it again in the last days, then you would believe it was Him. How many would believe the same thing? [Congregation says, "Amen."--Ed.] Then you would see Jesus. You would see His Word.

Now you say, "Is He the Word?"

**L-367** The Bible says He is the Word. And the Bible said that the Word discerns the thoughts that's in the heart. Is that right? [Congregation says, "Amen."--Ed.] Then it will be the Word spoken through human lips, discerning the thoughts. [\[Hebrews 4:12\]](#)

**L-368** Now, I can't. I have no way of doing it, see, 'cause I don't know her; but He does, and He is the Word.

**L-369** And He is the One that can take our two spirits, like the woman at the well, and Him, and blend it; and then go away and show me just what she's here for, what she's done, or what she wants, or something. Then I can speak it and say it, and then it's up to her.

**L-370** Now you say, "Brother Branham, can you heal her?" No, no. I can't do that. He's already done it. By His stripes we were healed.

**L-371** But that's just to raise her faith, to let her know, that, if He knows what she has been and what she is wanting, He knows--He knows how to give it and what she will be afterwards. Is that right? [Congregation says, "Amen."--Ed.] Now, everybody believes that? ["Amen."]

**L-372** Now be real reverent. And you people out there now, without prayer cards, you pray.

**L-373** Now, remember, Jesus passed through a group one day, and a little woman touched His garment. And He turned around, said, "Who touched Me?" And He looked all over the congregation till He found her, and told her she had a blood issue. And her blood stopped at that time. See? [\[Mark 5:30\]](#)

**L-374** Now, the Bible said that He now is "the High Priest that can be touched by the feeling of our infirmities." Is that right? [\[Hebrews 4:15\]](#)

**L-375** I'm looking out here at Brother Way, sitting here by his wife. Just recently that man was standing here while I was preaching, just like Paul was preaching all night one night, and this man dropped dead right in the audience. And the Holy Spirit brought him right back to life again. He is a witness, see, that, "Jesus Christ is the same yesterday, today, and forever."

**L-376** How many never did see Brother Way, and would like to see him; raise up your hands, never did see him. Brother Way, would you stand up? Here is the man, dropped dead about where he is sitting right now. Here is his wife, a registered nurse, standing right there. He had no pulse, gone; his eyes turned back, and he was black in his face; heart attack.

**L-377** Doctor told him he had heart trouble. Before that, I had found it on discernment, not long ago, and told him that he had heart trouble. And then, all at once, his heart stopped, and down he went. And there he was, lying there, perfectly gone.

**L-378** That's about six or eight times that I've seen the Lord Jesus bring back the dead. I seen Him do it, and He can do it tonight.

**L-379** Now I take every spirit, in here, under my control, for the glory of God, in the Name of Jesus Christ. Be reverent. Watch.

**L-380** I want to talk to you, lady. I've been preaching, you see. And just to catch your spirit, that's exactly what I'm doing. See?

**L-381** There's something in you, a life, or you wouldn't be standing there; you'd be just a form, laying dead, and you'd

in the entire journey on life. That's right. [\[John 14:12\]](#)

Now, this one lady here, young woman. I don't know her, she's a stranger to me. But do you believe me to be His servant? [The sister says, "Yes."--Ed.] Now just a moment.

**L-405** A man come before me, somebody in the audience. Now just a moment. Somebody in the audience. It left here just then; that Light left here. And there was a man standing by It, and somewhere in the audience. Just don't weary; just be of a good courage.

**L-406** Let's go back again and see to the woman. Now if the Lord God... This is six or seven, or something another, that's passed through the line, under discernment. And if the Lord Jesus will reveal to me, to this woman, whatever is wrong with her, would it make the rest of you believe with all your heart? Could you accept Christ upon them basis? [Congregation says, "Amen."--Ed.] See? One time ought to prove it. Three times is a confirmation. And this is tens of thousands of times, without one time being wrong.

**L-407** You're not here for yourself. You're here for a man. And I see him setting with his head down. He is smoking a cigarette, and you're praying that the cigarettes will leave him. That's... May the Lord God give you your request, sister. Go, believing with all your heart, and may that devil of habit leave your husband, in the Name of the Lord Jesus.

**L-408** Your trouble is in your back. Do you believe God will make it well? You do? [The sister says, "Yes, I do."--Ed.] All right. Go, say, "Thank You, Lord."

**L-409** I know this woman, I believe it's Mrs. Neece's daughter. Isn't that right? [The sister says, "Yes."--Ed.] I thought it was. God bless you. The old back trouble will leave you now and you can go and be well.

**L-410** Do you believe God can heal that arthritis and make you well? Go tell Him you believe Him. Just believe with all your heart.

You're number was called, and here you are. That's all I know.

**L-400** But you are here, suffering from a nervous condition. It bothers you bad. You have someone with you. You have someone you're praying for. It's a... It's your husband. And he has a spiritual problem that he just can't get over with. And you have a child that's sick, too. You're not from here, but you come from the North. You're from Canada, from Alberta. That is right. You believe me as being God's prophet, and believe that what I tell you is the Truth, go home and you'll receive what you've gotten. Yes. Believe. God bless you, lady.

**L-401** I am a stranger to you. You're a stranger to me. I don't know you. But God does know you. You believe me to be His servant? [The sister says, "Yes, I do."--Ed.] With all your heart? I don't know you, nothing of you. If I could heal you, I'd do so, but I-I can't. ["Amen."] I am not a healer. I am just a man. But He is God. I just a bit confused, because there's an older woman standing between me and you. It's somebody you're praying for. ["Yes."] Yeah. It's your mother. ["Yes, it is. Yes."] And she suffers with a--a high blood pressure. ["Yes, she does."] And you have a--a kidney infection. ["Yes, sir."] That is right. ["That's true."] Do you believe that? ["Yes, I do."]

**L-402** Your mother isn't here. [The sister says, "No."--Ed.] But when you go to her, take that scarf that's around your neck, and put it on your mother, and don't doubt, and the high blood pressure will leave her, and your infection will be gone. Go, believe now.

**L-403** You believe now? [Congregation says, "Amen."--Ed.] And all your heart? ["Amen."] Now, you see, I look out across the audience, and just looks like it's just--it's just beginning to get kind of misty, like, out there.

**L-404** "These things that I do shall you do also." He's done more right here, tonight, than He... of that type, than He did

have no life in you. But, being that there is a life in that flesh, it controls you. See? And now even your thoughts and what you think, the words you say, and everything, is what you live by. See? That's what you are, is your words, your thoughts, and whatever you are.

Now, we are, we are here, believing. Now the Holy Spirit... Like Jesus told the woman, "Bring Me a drink."

**L-382** And, when she brought, she said, "Why, You, You shouldn't ask me that. I'm a--I'm a Samaritan. You're... You are a Jew. We don't have no customs with each other, no--no way, words with each other." [\[John 4:7-9\]](#)

**L-383** Now, but, course, we are both Gentile. And we're standing here just believing on God. Now, if His Spirit comes by me for a gift, and can tell you what; that you know whether it's right or not, 'cause you've lived that part of the life. Then, then you have a gift, to believe it. And if you will believe it, and He will tell you about it, then it's all over. And it'll work on everyone here. Now, everybody real reverent.

**L-384** And the lady suffers with something wrong in her throat. It's a throat condition. If that's right, raise up your hand. Now, I've never seen her in my life. That's right. That's what she's here for, for me to pray for her throat.

**L-385** Now, right then, as soon as I said that, or just before, she was... She knew that there was Something near her. Something come near her, right then. You could see the emotion upon her, a real sweet feeling, like, struck.

**L-386** That Light that you see in the picture. Where you at, George? That Light that was in the picture, is hanging right over the woman, right now. See, it's another dimension. She is a believer, not a make-believer. She's a believer.

**L-387** Now, being that you are a believer, you believe me to be His servant and prophet? Have to be, to know that. [The sister says, "Yes, sir."--Ed.] Do you believe He could tell you other things that's on your heart? ["Yes, sir."] All right.

**L-388** Here is something that's on your heart. It's somebody you're praying for; child. You believe He can tell me what's wrong with it? It's got a virus. Is that right? [The sister says, "That's right. Yes."--Ed.] Do you believe God can tell me who you are? ["Yes, sir."] You're Mrs. Walker. ["Right."] You're not from here. ["No."] You're from the South. ["Right."] Georgia. ["Right."] You're going home, well. Jesus Christ has healed you and your child. Don't worry about it. It's over. God bless you, sister.

**L-389** How do you do? Now here is another woman. I don't know her, never seen her. She's just a woman standing there. Now look, I've been preaching, all together, since about eight o'clock, and it's ten now. That's two hours I been here. That one discernment weakened me more than that two hours of preaching. See? That's... See? You say, "You mean to say that?" Oh, yes.

**L-390** That woman that touched the hem of His garment. He said, "I perceive that virtue has gone out of Me," strength. Is that right? That's what it does.

Now, here is a woman that I have never seen. [\[Mark 5:30\]](#)

**L-391** Billy went over there, if you noticed something, and picked up that boy that we have here with us, George. He is a Baptist boy. I want him to see that what we're talking about is God. His father is, family, is a nice people. They're in Mexico, missionary, fine man. And his father is sick, too. I'm just waiting for him to come. Now just watch close, George.

**L-392** Now, this lady, I--I--I don't know her. I--I never seen her. I suppose we're strangers to one another. [The sister says, "That's right."--Ed.] We don't know each other.

**L-393** But now, the Holy Spirit, the sweetness of Jesus being present, we are all witnessing that. Now if the Lord Jesus will reveal to me something about you...

**L-394** Now, if I could heal you, I'd do it, but I can't do what

He's already done. The only thing, if He was standing here tonight with this suit on, that He gave me, well, now, He--He couldn't heal you, because He's already done it. "By His stripes we were healed." See? But the only thing He would, to declare Himself by the Word that He promised, and make you see that He's the same yesterday, today, and forever. And He promised to do it.

**L-395** Now if He will use me to tell you what you're here for, will you use the faith that you have, in Him, to believe that you receive what you have... are here for? With all your heart? [The sister says, "Yes, I will."] All right, may the Lord grant it.

**L-396** I see the lady has something wrong. An examination shows it is a--a ruptured stomach. [The sister says, "That's right."--Ed.] That's right. ["That's right."] It's true, yes, sir, a ruptured stomach. ["It is."] Do you believe that God can heal that rupture? ["Yes, sir. I believe all I can believe."] You, all you--you... ["With all I can believe."] God bless you. ["God can heal my stomach."]

**L-397** Now, you're not from here. [The sister says, "No, sir."--Ed.] Been quite a sacrifice to get here. ["Yes, it has."] It was. ["Praise the Lord!"] Yeah. Yeah. You're from Tennessee. ["Yes, sir."] That's right. Mrs. Hart. ["That's right."] Return back; don't doubt. You'll be healed, if thou canst believe.

**L-398** How do you do, lady? We are strangers to one another. [The sister says, "That's right."--Ed.] I've never seen you in my life, as would know of. I might have, some where in a meeting, and you might have seen me, but I don't know you. God knows you. Do you believe in me to be His servant, and the word that I have preached is the Truth? Well, being that I am strange to you; and the Word, that I have preached, you have believed on.

**L-399** The only thing, it's, some of them give you a card; either one of the ushers, or my son, or somebody gave you a card.
